The Prez Sez ...

This will be my last newsletter article as President. After six years on the Board I am ready to retire again. The last 2 years proved to be a challenging time to serve the Club. I believe the Board has made good progress on the issues that face us. I am very gratified by the show of support from the membership. Thank you one and all. Speaking of the board, we have an excellent slate of officers and directors for the next term. **Please come and vote at the Annual General Membership Meeting at 9:00 on Feb. 13 at the club. To vote, you must have paid your 2010 membership dues.**

Here is the slate:

President: Ron Wikel, 1st VP: Erwin Perry, 2nd VP: Francine Bailey, Treasurer: John Hazen, Secretary: Terri Overcast

Directors: Karin Mathews, Sheila Kristjan, Anne DeFrance, Pat Akins, MJ Giacomini

Now, I am going to have some fun! See you around!

by Ron Wikel, 1st V.P.

As I reflect on the past year as Rescue One coordinator, I am reminded of the challenges we faced and the need we had to fulfill. What once seemed an impossible task was reduced to routine as the result of the formation of a committee and the spirit of volunteerism within the membership of Club Deportivo. To those who came forward to help I am extremely grateful. To those who wish to be a part of the program we would welcome your help.

Assuming the membership elects the nominating committee's slate of officers at the annual meeting on February 13th, Rescue One will have a new coordinator, Erwin Perry. I leave Erwin with much yet to be accomplished knowing he will receive the same support as I did.

So, keep up the good work Club Deportivo, your pride is showing.

KINO LADIES KLUB

January's luncheon meeting was a blast!! Movie stars attended incognito as KLK social hour hostesses!! Prizes were awarded!! Feats of volunteer accomplishments by members were applauded!! Old friends and newcomers embraced! We welcomed our 101st 2009-2010 member! Santa's visit (accompanied by several KLK women) to the Kino Elementary Schools received high praise. The KBDGC Benefit Golf Tournament was an amazing success. We had very well attended participation in the KLK WRAP Party held at Club Deportivo. We are extremely grateful to all those who helped in this community endeavor with their efforts and donations. All Kino women are invited to join us at a social hour and no-host luncheon February 9th. If members have not been contacted by noon February 4th, please call Jan Vala (0302), Diane Ackerman (1374), or Cathy Willis (0687).

Community Outreach

By Francine Bailey, 2nd V.P.

Thank you to **Marg Babiuk, Hilde Harrison, Marcy Joy, Gayle Lenihan, Darolyn Perry and Kay Van Hee** ~ the Backpack committee ~ for filling backpacks for the children of the Desayunador.

In January, Club Deportivo gave out 9 filled backpacks to children who had birthdays in January. The Christmas posada at the Desayunador on Saturday, the 19th of December was a sight to see. Along with giving 25 backpacks to birthday children, there were about 180 children and several parents to enjoy a healthy breakfast, a piñata, and cake. The monthly birthday celebration is usually the last Saturday of each month. The breakfast program functions every morning!

Thank you to Jennell Stephenson for administering 10 seasonal flu shots in January.

A reminder, we have a clothing box at Club Deportivo for your donations of clothes, shoes, linens & household goods. It is located at the back entrance to the club, at the door used for the breakfasts. Donations can also be made to the Tiangu Grande, the February 27th flea market held next door to the Catholic Church in Old Kino. You can contact me or the Valas or the Hilkemeyers.

As always, thank you for your continued support of all of our programs. fb

SAVE THIS DATE---FEBRUARY 14TH You won't be sorry!!!!

In the Kitchen

by MJ Giacomini, Director of Meals

Seems like we just did this.....time is flyin' in Kino. A big THANK YOU to all of our January organizers' and sponsors.

February Schedule:

02/06 - Steak dinner

02/14 - Eggs Benedict breakfast

02/20 - Seafood Fest dinner

02/28 - Green Chile casserole breakfast

All of the aforementioned meals are very popular. As usual breakfast tickets will be sold at the door on the day of the breakfast. As for the Steak and Seafood dinners, you are encouraged to buy your tickets EARLY, these two always sell out fast and YES there is a cut off number! The price for the steak dinner is \$10.00 or 130 pesos. Other dinners are still \$7.50.

Some reorganization has taken place in the kitchen, with more to come. Amazing what turns up when you clean the cupboards! Many items found in the back of some cabinets surely hadn't seen the light of day for at least a decade. Non-functional piece parts and duplicates will now never see the light of day again. Amen.

The cabinets in the main kitchen (cooking area) have all been lined for cleaning ease and an effort has been made to place items in that room that are used to cook with i.e., mixing bowls, measuring cups, strainers, etc. The intention is to keep the smaller room where the dishes

are washed as a storage room for table settings, serving items, large cooking appliances and large pots. Hopefully this will help the "flow". This is going to initially cause some consternation - but organizer's please keep an open mind and hang in there, **CHANGE IS A GOOD THING**, please try to go with the "flow".

ENJOY: Anne's recipe for GREEN CHILI STEW,

requested by many of you on January's movie night.

2 Tbsp. olive oil
3 lbs. pork, cut into 1" cubes
1 yellow onion, chopped
1 clove garlic, minced
1/4 Cup flour
2 Cups chopped, fresh tomatoes (peel if desired)
2 Cups roasted, chopped, peeled green chiles
1 fresh Jalapeno pepper - seeded, deveined and chopped
1 tsp. salt 1/2 tsp. freshly ground black pepper
1/2 tsp. sugar (do not leave out)
1 Cup chicken broth
Heat the oil in dutch oven with cover. Add pork and lightly brown. Add onion and garlic and stir with meat. When onion is translucent, add the flour and stir two minutes (make a roux). It will turn a golden brown color, do not burn. Add tomatoes, green chiles, jalapeno, salt, pepper and sugar and mix to incorporate then add the broth. Lower heat, cover pot and simmer about 1 1/2 hours until meat is tender. Serve with flour tortillas. Serves 6-8.

Under consideration are limited menu's available for Super Bowl Sunday and February's Movie night. Suggestions? Call me 242-1351 or 'Sparkle' on VHF. Stay tuned to the morning announcements for further information on what will be served at these events.

Come enjoy your neighbors and dine at the club. MJ

Fishing

(by Don webb)

**Reporting period:
December 15 through January 20, 2010**

During this reporting period we experienced twenty-one days of wind when no fishing took place. This is somewhat normal for January.

December 16 through 19 strong NW winds no fishing

December 20 through 30 many boats went out mostly to San Esteban and Turner Island areas. Excellent Yellowtail and Bonita fishing (primarily trolling) The Yellowtail sizes ran from 6-8 lbs. to a lot of 12- 18 lbs, and a few 20 plus lbs.

December 30 Sea Dog had a good catch of Rock Bass from 14 mile reef.

December 31 through January 6 NW winds.

January 7 Rosie and Sea Dog fished the San Esteban areas and the catching was slow.

January 8 Hill Billy Yacht, Pattyjuan, and the El Hefa boats fished the San Esteban areas and reported it generally slow.

The most interesting thing that happened on this day was with the El Hefa boat. Scott Branscombe was aboard. They were trolling near the NW corner of San Esteban without catching anything when they observed a bunch of fish breaking the surface of the water and the birds diving. They trolled back and forth through them with out a hookup. They decided the fish went down deep so they started to fast retrieve or jig for them. Scott went quite deep in 300 foot of water and noticed he had a birdnest in his spool and began to untangle it. About this same time the captain of the boat (Les Woodward, a commercial fisherman from Alaska) yelled " look at all the fish around the boat " Scott has the bird nest untangled and trying to get up fast but now has a fish on and is not coming up very fast (it was a big Goldie). Les cast out into the fish and snagged one **It was a small DORADO!** as were all the fish swimming around the boat. Remember, this is the 8th of January and the water temperature is 63.5 degrees.

To have Dorado in our waters this time of year and when the water temperatures are in the 60's is most unusual. Quite a few years ago in 1997 this writer remembers when Chuck McDonoughm, Otil Turner, and Ron Lewis caught Dorado on the 13th of April in 67 degree water near San Pedro Island. It was a strong "El Nino " year and quite a few strange things occurred in our waters. **We are suppose to be in a "El Nino" year again so we may have some interesting fishing ahead of us !**

January 9 through 12 NW winds

January 3 the winds finally stop and many of our boats went out but the catching was reported to be slow, however fishing the 14 mile reef continues to be good for Rock Bass.

January 14 Red Flag wind warning 33 knots

From the Bar

by Bob Binckes, bar director

The month of January was great for the bar, we had 20 events that required many new and old volunteers to bartend. I would personally like to thank each volunteer for an excellent job. THANK YOU !!!!!

List of Volunteers

Larry & Jacqueline Sinnett	Craig Vernon
Carl & Terri Overcast	Mike & Gail Leniha
Lee & Diane Ackerman	Harvey White
Harold & Carolyn Martine	Dorothy Pickle
Linda Branscombe	Dorothy Hutton
Carol Wikel	Melva Shaw
John & Judy Hazen	Demaux Gonzales
Stu & Glenda Orsborn	Georgia Hattenburg
Tom & Jan Vala	

WITHOUT VOLUNTEERS, THE CLUB WOULD NOT BE SUCCESSFULL

A sign up sheet is on the Kiosk at the club for volunteers to sign up to bartend or call Bob Binckes at 242-0712. Everyone can help by supporting social hours, lunches at the Palapa, breakfasts and dinners. A big thanks to Melva Shaw for the "ROVING BAR" helping all thirsty golfers and Carol Wikel at the Palapa bar continuing to help golfers and families.

THANKS AGAIN TO TONY AND CHICO for bar setup and for social hours, palapa bar and dinners.
GREAT JOB!!!

January 15 and 16 NW wind

January 17 Fishfinder, Mona Lucy, Sand Dollar, Queonda, go to the Eaglenest, Willard, and San Esteban areas and brought home bottom fish and a few Yellowtail.

January 18 Good bottom fish at Queens rock, Willard, Cololorado Point.

January 19 and 20 Strong southerly winds and big swells, no boats go out.

DID YOU KNOW: In 1997, El Ninos strong currents carried exotic warm water fish to cold water shores. Fishermen targeting Halibut and Salmon off Kodiak, Alaska caught a Yellowtail. The catch was so unusual that fishery biologist had trouble identifying it at first. A few weeks earlier an angler landed a Striped Marlin near Puget Sound, Oregon, and a Blue Marlin common to Mexican waters was caught near San Diego.

Building & Maintenance

by Pat Akins, Director of
Construction & Maintenance

It was so good to see so many people at the Comedy Night. We were glad that the upgrades to the sound system were working well. The next step will be to set up sound on the outside patio. Hopefully this will be done in the next month or so.

If you have an outside event please let me know and I can provide a public address system for you.

Construction will start soon on upgrading the wheel chair ramp by the southwest door. We will have handicap parking and a gradual incline for handicap access.

We are also be going to have the fire extinguishers serviced. We will try to provide servicing for members fire extinguishers also. **Please let me know if you are interested in getting service on your fire extinguishers.**

It is important that we keep up with the safety issues at the club.

A new Club Deportivo Directory of current members is issued twice a year, in April and November. In order to assure that it is as correct as possible, we are asking club members to take a look at the November 2009 Directory. Please check your information, and others that you are sure of, and email or give corrections to me, Anne DeFrance at defrance@cs.montana.edu.

If you have already sent in corrections, we have those, so it is not necessary to send them again.

The second edition will include favorites from the 1st cookbook in addition to new recipes from our club members. We will also include several recipes from club dinners and breakfasts.

If you have a recipe/s that you would like to see in the second edition, please submit them to Dale Dansey or Francine Bailey. If you have a favorite recipe from the original cookbook that you would like to see in the new edition, please let us know. Thank you for sharing your favorites.
