Hello Everyone,

January started out cold, rainy and windy, but ended warm and sunny with a great bocce ball tournament, well-done organizers and competitors. **AND now it's February.**

The next time you walk onto our Club grounds please take some time to look around before entering the building. Thank you to **Jennifer and Bruce Brown** for coming up with this wonderful idea for hiring **Manny, Picasso**, and donating the cost to improve and enhance our large library wall and outbuildings & another thank you to **Robert Burnam** for hiring Manny to complete the other library walls as a surprise for Sandie! It is truly lovely! Every day I notice something different in the murals – today it was a kitten painted by the library door.

The Annual Membership Meeting will be held Saturday, February 11, 2017 @ 9 a.m. at our Clubhouse. The Board encourages you to attend, it is time for elections, voting on proposed changes in the By-laws and each Board member gives a summary of the year 2016. Your 2017 membership fee must be paid in order to attend and vote. Temporary and Honorary members are welcome, but may not vote. It is your opportunity to hear first-hand what your Club is doing and a time for you to share your thoughts and ask questions.

The proposed amendments to Article VII and Article XII of the Club By-Laws for which we will be voting were listed and explained in my article in the January Knews. It is also posted on our bulletin board.

Rescue One

Hello again Kinoites... for my final note to you. My time as 1st V.P. / Chief of Rescue 1 has come to an end as of February 11, 2017. The past four years leading Rescue 1 and the years preceding that as Chairman of the Medical 1st Responders has been a rewarding and memorable experience. It is now time for another to take up efforts to keep not only the mariners safe and accounted for, but the entire community. The continued efforts and involvement of Rescue 1 positively impacts the citizens, visitors and all the local emergency service providers in Kino. This impact has been through direct delivery of services, volunteering, equipment upgrades and donations, both given and received. I'm sure the new leadership will continue, not just my work, but the positive and proactive actions of the many leaders of Rescue 1 that served for decades prior to my arrival. This continuity of public service is what sustains the esteem of Club Deportivo's "Rescue One" throughout Mexico and with the traveling public.

Many thanks go out to my Rescue 1 predecessors, Club Deportivo Board of Directors, Filiberto, Betty, Raul and most especially to you, the citizens and visitors who have volunteered thousands of hours of service which is the back bone of this critical program. See you all around town and on the golf course!

Stay Safe,

Mark Tracy

1st VP / Rescue One

As I write this article, the slate of nominees are:

1 st Vice President	Tom Vala	2-year term
Treasurer	Joan Fairweather	2-year term
Bar Director	Carolina Nava	2-year term
Construction Dir.	John Nicola	2-year term
Outdoor Director	Bill Chisholm	1-year term
Meals Director	-----	2-year term

I would like to thank **Gloria Brandt**, nominating chair and her committee, **Craig Gresham**, **Matt Curtis**, **Darlene Lyons**, for the work they did to get a slate of nominees to present to the Board. This is not an easy task, as the committee doesn't have members coming to them. They have to go looking for nominees. This year was especially difficult. When you serve as one of the leaders you learn a lot about the Club. I thank the members who are serving and those who are willing to serve.

I want to take this opportunity to recognize the outgoing Board members: **Mark Tracy & Sharon Chapman**. I appreciate their willingness to serve on the Board of Directors. Each brought to their position responsibility, dedication and enthusiasm. Mark served in the position of 1st Vice-President for 4 exceptional years. Sharon took on the 2-year position of Meals Director with passion and gusto. I thank them for the privilege of working with them and I will miss both of them terribly. fb

....Outdoor activities
continues from Pg 8

Be patient and if you have any ideas or input, you can provide it to any of the committee members who are Stan Colbert, Randy Bender, Jim Moratto and Harold Becker.

Hope to see everyone at the outdoor activities. They are for you and by you so if you have any ideas, please pass them on to me or one of the other Board members.

Just a little reminder, we are all enjoying our beautiful Putt-Putt and Bocce court carpet!! We have added covers to protect the carpet in the off season, thus extending the anticipated lifespan of the carpet.

We are continuing to work toward getting the Club reimbursed for the purchase of the carpet. Bingo proceeds are being used to help, but we would welcome donations to help with the remaining balance. Any donation would be greatly appreciated! Feel free to contact Judy Campbell if you can help!

Charitable Giving

Brent Henderson, Director
brentdale@prodigy.net.mx
(662) 242-0141

Good morning everyone. I'd like to thank all the people that brought backpacks, school supplies and birthday gifts. We have received an abundance of backpacks, but we are still in need of many school supplies.

In 2016 we received 31 requests for assistance, and we were able to assist with all the requests for a total granted of \$52,500. pesos!! We started with a budget of \$67,836.00 pesos and currently we have a balance of 15,336.00 pesos remaining. The balance will be given to the club.

At this time, we are organizing the March Charity Dinner. I would like to thank **Carolyn Kinsman** for chairing this event. Thank you, also, to **Sandie Burnam and Judy Campbell** who are Chairs of the Auction and Raffle. And can't forget the thank our Chef, **Pat Friesen**. We are requesting donations for the Charity Dinner Auction.

In the past, we have organized two charity events and at this time, we do not have the second in place, and we are working toward organizing this event. Any suggestions or ideas would be very helpful.

As a reminder, it is time once again for the Humanitarian Award. Members are encouraged to submit a letter nominating a person who have gone above and beyond in service to Club Deportivo or to the Kino Community. Someone who finds a need and sets about making it a project close to their hearts.

If you know someone you would like to nominate for this year, please write a brief letter and include details of why you believe they qualify. You can drop the letter off at Club or directly to me. bh

Kino Ladies Klub Scholarship Program

Diane Ackerman, Chair

The KLK Scholarship Program is an outreach of support to provide monetary assistance for the education of students attending high school in Kino. When a qualifying student is awarded a KLK scholarship gift, there are two parameters that must be met to continue the next semester on scholarship: 1. Maintain an overall grade of 80%, or greater, for the semester 2. Work closely with a Classroom Teacher in one of the elementary schools to complete 3 hours of Peer Tutor Time each week assisting a student/s.

Each school year KLK awards a Maria Peral Memorial Scholarship to an outstanding incoming Sophomore student who qualifies for the gift in her honor. Maria, a Kino resident, was instrumental in establishing the high school in Bahia de Kino.

We are thrilled to announce that we had the funds to pay the 2016-2017 tuitions for 8 Seniors, 7 Juniors and 13 Sophomores. Three students are supported privately through the KLK program. The current tuition per semester is \$100 (US); \$130 (CAN) or peso equivalent which KLK is required to pay in advance.

We are welcoming donations, in any amount, to the KLK Scholarship Fund to continue supporting 25 students a year. We can assist you in finding a student if you would like to privately sponsor a specific student. If you wish to make a charitable gift contribution of \$500 (US), or more, contact Diane Ackerman for information. If you are not in Kino, you may send a check to: Judy Hazen, 1506 NE 6th, Camas, WA 98607

We appreciate your generosity to enable deserving Kino students obtain a high school education.

We look forward to hearing from you! We cannot continue this amazing program without your help.

**IMPORTANT
INFORMATION**

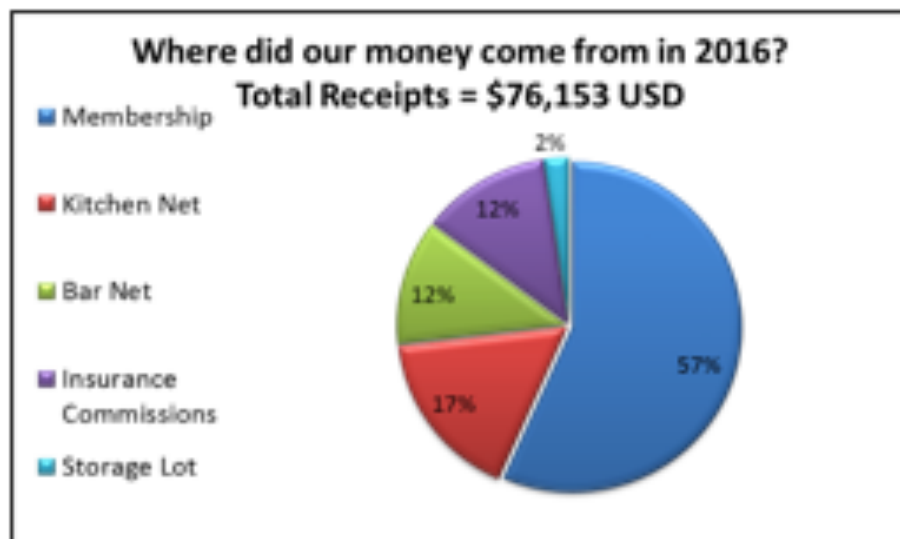

The Ad-Hoc Committee agreed that the perception in the community is that the Meals Director is too much work for one person. Therefore, we recommend splitting the duties into three (3) positions as follows:

1. Meals Director: Responsible for all paperwork, preparing and posting a chart of meals: works with the Board of Directors to set meals dates: is responsible for flyers and advertising: writes newsletter articles and Board reports and attends Board meetings.
2. Kitchen Assistant: Oversees the kitchen, works directly with organizers and sponsors, and helps maximize ticket sales.
3. Kitchen Recruiter: procures organizers and sponsors: procures entertainment for dinners.
4. #1 would be the Director on the Board and the #2 & #3 reporting to the director.

General Operating Costs for 2016 were \$51,550 USD. This is the total cost of operating our Club. It is comprised of: payroll, utilities, taxes, general repairs and maintenance for upkeep of the building, legal, accounting and bank fees, Rescue One supplies, and office supplies.

\$3,200 USD was granted into the community based on requests approved by the 2nd Vice President.

A favorable exchange rate, combined with earlier payment of membership dues, sales of storage lot items, and higher insurance sales commissions allowed us to transfer \$18,138 USD to our General Reserve.

Outdoor Activities

Bill Chisholm, Director chisholmwd@gmail.com
662 242-0416

The January Goathead golf tournament was held January 5 th with 43 players. **John Carlen, Butch Geier, Darlene Lyons** and **Jerry Menefee** took third place with second place won by the threesome of **Larry Rosenbaum, Tavi Kristian and Bruna Burbridge.** Closest to the pin was **Rosie Geier and Kent Ogen.**

And the WINNERS were ++++++ (That's a drum roll in case you didn't know) **Bill Stern, Syed Hasan, Shauna Smith and Jensine Morley.**

Helping with the tournament were **Melva Shaw** and **Louise Thompson** on the refreshment vehicle (thanks **Jerry** for the loan of the vehicle). **Veda Tucker and Char Webb** minded the third green for closest to the pin. And of course we could not do the tournament without the valuable effort put forth by **Jerry Menefee, Johnny (and Mari) Evans and Bill Stern** (they do most of the work).

The bocce tournament ran from January 16 -- January 27. We had 29 teams, 3 short of the 32 goal. We had help with the daily duties from the top four winners from the previous year's tournament. Caro arranged the bartenders and Johnny Evans arranged the lunches. Our referees were Fred Mahaffey, Steve Chapman, Bill Stern, Ron Leetch and Tavi Kristjan. Rogene Mahaffey and Melva Shaw were the scorekeepers. The games went well, most within their time frame.

The championship game was held at 9:00 Friday January 27 complete with cheerleaders and green and red gals. Although the weeks spectators were scarce we had a good turnout to watch the last game.

The results are:

First place	Ron & Nancy Leetch
Second place	Joanne & Don White
Third place	Karen Webster & Sharon Chapman
Fourth place	Bruna & Jim Burbridge
Fifth place	John Hazen & Craig Gresham
Six place	Darlene & Jim Lyons

We have had a proposal to look into a shooting range for air rifles in the back of the parking lot so we struck a committee to look into the logistics and come up with a proposal to the Board to see if implementation is feasible. It appears as though there is a lot of interest and it will be work but it will take some time to get it set up.

Change is inevitable
