by Francine Bailey, President

This is the final newsletter for the 2015/2016 season, but not the end of activities - April is busy with our side-by-side raffle drawing, a golf tournament, Bingo Mondays, Trivia Tuesdays, MargaritaVille, a breakfast, a sponsored dinner and a special "thank you" dinner for all of our 300+ volunteers and members.

Your Board of Directors will be meeting during April to finalize the 2016/17 calendar of meals and activities and to schedule summer work projects. **The next newsletter published in August** will be mailed to all members and will give you details about the scheduled indoor & outdoor activities and the meals. If there are themes or special costumes needed for functions - these items will also be listed. The August newsletter will also include a proxy for the annual membership meeting to be held, Saturday, February 11, 2017, 9 a.m. at the clubhouse.

At the March Board meeting the BOD finalized decisions about the monthly fee for the Club's Storage Facility: 1. To grandfather those paid members using the storage area, who used it since Jan. 2013, at a rate of \$1.00 per day (\$30 per month) 2. New, non-grandfathered users of the storage facility, who have not used it since Jan. 2013, be charged a rate of \$1.50 per day (\$45 per month). 3. Club Deportivo will open the storage facility to non-annual members and the general public at a rate of \$2.00 per day.

Thanks for keeping us SAFE on Semana Santa!

I just wanted to say **Thank You** to the folks that kept us safe & allowed our great club employee's to have time off with their families over the Easter holiday. Many Kinoite's don't realize the club services provided to the community during Mexican federal holidays are provided by volunteers. In fact, the level of demand for services provided is much greater during Easter then normal due to our concern for the thousands of families that visit the area for 3 or more days each year.

When you come across any of these volunteers in the community please thank them for their time, efforts & personal funds they expend to keep us and the visitors safe!

Rescue 1 Radio Operators: **Jim Kennedy** and **Bill Stern**. Also, **Jean-Maurice Lacroux** during Benito Juarez Day.

Boat Patrol & Rescue: Captains **Irwin Perry, Jim Kennedy, Steve Lucas, Jerry Summers, Randy Bender & Skip Bush**.

Beach Patrol (Quads): **Jim Bailey**- Coordinator & Operator. Operator's **Julian Babiuk, Craig Vernon, Lynne Curtis, Bruce Brown, Pat Akins, Les Keute, Bob Binkes, Craig Gresham, and Bill Chisolm**.

thank **ALL** of the members that made our season a big success: committee workers, group leaders, meal organizers, meal and activity workers, meal sponsors and bar workers. It would be impossible to have all of this without **YOU!** Thank you to those of you who kept everyone safe during Semana Santa. I want to thank the Board for their involvement and hard work to make our club an impressive and welcoming place. Thank you to Filiberto and Betty for all the responsibilities it takes to run the Club and to Raul for keeping the Club and grounds clean and pleasing.

Many of you have left, or getting ready to leave, heading north. The Board wishes all of you safe travels and we look forward to seeing you next season. Though many of you leave for the summer, there are many who live here year-round. We appreciate the support you, the year 'rounders, provide during the slower months. At the Club, Friday night social hour continues, in addition to the every other Tuesday survivor potluck through September. We may need your help in volunteering to be a bartender or setting up/organizing a potluck.

Wishing you a healthy, happy summer and looking forward to seeing you next season. fb

Outdoor Activities

Bill Chisholm, Director

March roared in with the Lago Seco golf tournament on the 3rd of March. Many people brought their dogs and trailers and started the party the night before. The course which was reduced to 10 holes the year before was in fine shape and some advance planning and no small amount of work by Jerry Meneffe made it a great tournament. Competition was fierce and resulted in a 4 way tie for 1st place (don't have all the names so will chose to name no one). Veda Tucker and Char Webb sacrificed themselves to the sun to officiate the closest to the pin. Melva Shaw and Louise Thompson ensured that no one dehydrated by serving fluids on the overheated course. And of course Carolina and Kevin Kronberg managed the bar with their usual aplomb. Sharon and Steve stepped up to the plate (literally) and served hamburgers to the hungry multitudes – how many compliments can you give them about their cooking and service – they have raised the bar for meals way above the reach of the majority of the rest of us peons. Sandy Burnam supplied new signs (with a hint of Burma Shave) to make sure no one got lost on the trek to the event. Shade was supplied by a local vendor – Jeronimo. There were more volunteers big and small (interpret that as you will) that I missed so Thank you everyone.

Events are slowing down as the snow birds start to melt away but there is still one more Goathead Tournament on April 14th – be sure to book it in your calendar. Sign-up sheet will be at the course after the April 7th tournament.

Open to any comments or suggestions (may not follow them all but promise to listen to all of them).

FROM THE BAR..

Carolina Nava, Director

We are closing yet another great month, March went by so fast!

So many fun events, our usual Bingo Mondays and Trivia Tuesdays that makes our weeks go by a little smoother, the "Lago Seco Golf Tournament" and the "Go for the Green Kino Bay Desert Golf Course Tournament" both giving us a chance to interact with great people all the way. As always we really enjoyed our Friday Social Hours and had a blast at the Western Night.

As special events we had the opportunity to participate at the Chili CookOff Dinner as well as our annual Benefit Dinner, both of them great successes along with the St. Paddy's Corned Beef and Cabbage Dinner.

All of this success cannot be possible without the help of our volunteers... **This month we thank our regulars, Len Colbert and Harold Becker for helping with Bingo and Trivia, Barb Kauz, Robert & Sandie Burnman, the Pickles, Tavi and Cristina for stepping up when we had work overload, Carolyn Kinsman, Perry Wilkes, Rick & Thelma Primeau, Anne DeFrance, John & Teddi Beaupré, Bill & Judy Kidd, Sheila Kristjan, Randy Bender, Bob Binckes, Craig Gresham, Grace & Bill Chisholm and Kevin Kronberg,** all of your work is deeply appreciated.

Thank you Fili, Betty and Raul for all you do to help us operate.

Please feel free to contact me Caro Nava at 6621110651 if you have any concern, comment or suggestion regarding the bar.

At the Club, you will find sign-up sheets and monthly schedules for bar related events, please feel free to write your name and contact info down, and also let me know if you need a crash course before volunteering and I will happily go through our procedures with you at your convenience.

if anyone is going into Tucson, especially if you have a pickup truck, the Club has received a donation of replacement tiles from some long time members. All we need to do is pick them up at their location and deliver them to the Club! The packages are 2'X4'X10". There are 7 packages left to be picked up and brought down. We would like to get this project done over the summer! You can get directions from Fili or Betty to get to the location! Thanks!!

We would like to take this opportunity to do a bit better job of welcoming Raul to the Club Deportivo family.

Raul Encinas Salazar was born December 3, 1985 in Hermosillo, Sonora. Although Raul was born in Hermosillo, he has lived his entire life in Kino Bay, attending school here as well. He studied International Commerce at the Universidad Kino in Hermosillo. He worked at sea for many years. He also worked at the Super Bahia and in construction and electrical work with his father. Most recently, he worked at Selecta in the Shrimp Larvae Lab.

He is very happily married to his wife Brenda Hernandez and they have welcomed a beautiful daughter named Maria Itzel.

His hobbies include watching movies and tv series and playing soccer in Old Kino. Raul is also a Green Belt in Taekwondo and has participated in many competitions. He still trains and competes when able to do so. At the University, he also played basketball, soccer and American football. He is the son of Elodia Salazar from the Comisario's Office.

An Update for the March Activities

Brent Henderson 2nd V.P.

Hello everyone, thank you all for your support. The charity dinner was a great success, great fun and great food. We were able to raise \$8,788.00 USD. We will be distributing this money to 17 organizations in Old Kino.

On March 19th, at the Saturday night dinner we presented the Humanitarian Award to Melvin and Charlotte Randolph. These folks have done amazing things not only for Old Kino but for our community also. For the past 20 years plus they have built homes in Old Kino and painted beautiful murals in many of the restaurants. They have also given away cars, and given money to assist the needy. Although Melvin is no longer with us, Charlotte continues to help people in Old Kino. She is currently receiving and purchasing sewing machines and teaching women in old Kino how to sew. When she feels they are qualified, she gives them the sewing machine. All efforts made by Melvin and Charlotte have been accomplished with no outside help. These are just a few examples of what they have accomplished in our community.

The side by side drawing will be on **April 7th, 4:00pm at Club Deportivo**. We will be having food, entertainment and the bar will be open. You need not be present to win but you must have a ticket to attend. One ticket per person. We still have plenty of tickets for sale. So please contact your friends and family members, here or in the United States and Canada to purchase tickets. Don't forget, as of now all proceeds go to the Club Deportivo general fund. So get out and buy your tickets today.

The donation box at the club is empty so please, before you go, clean your drawers and closets and make a donation.

Please remember we will be needing school supplies for this coming August.

I want to give a big thanks to the volunteers that help make this program successful. It couldn't be done without you.

Thank you Brent Henderson 2nd V.P.

Wow.... another Kino 'season' is almost over. Lots of friends have already left for points north of Kino Bay! We look forward to seeing you again soon!

If you are getting ready to leave, please take a moment or two and look around and see if you still have any borrowed materials that need to be returned to the library. Also when you are planning for your return... if you have any books that you no longer use....hardback or paperback.... please consider bringing them and donating them to our library.

The library is open 8am to 5pm year round on days that the CLUB IS OPEN.... so it will be closed in August and any holidays when the Club is closed. You are welcome to come in and browse all our books...take a couple home, relax, read and enjoy the great weather here in Kino Bay!

Thank you to EVERYONE for your helping with the move, building the shelves, painting, repairing ...and on and on. Our little casita looks beautiful. We get lots of compliments one how pleasant it is to come in and browse.

In Memoriam

Loren "CORKY" Milor long time Kino visitor and Club Deportivo member passed away March 4, 2016, in Texas, at the age of 83; his ashes will be taken to Colorado. When in Kino, Corky stayed at KunKaak RV Park and spent much time there with his good friend Fred Mahaffey. He spent lots of hours fishing with Bud Stephenson on the Sand Dollar and carried the call sign "Corky". He enjoyed spending time at Club Deportivo. He was well-known around the bocce courts as a cheerful referee. He will be greatly missed.

Lorne "20-20" Muth, optometrist, passed away on March 15, 2016. Lorne was a member of Club Deportivo and well known for helping all of the residents of Kino at his weekly eye clinic at Our Lady of Guadalupe Catholic Church & in many other ways. He was quick to volunteer at Club Deportivo whenever needed. He loved Kino and all of Mexico more than anything, and he often said that his years in Kino were some of the happiest of his life. He is survived by his wife Bev. Bev will return next season to honor Lorne and leave his ashes on Alcatraz Island.
