by Francine Bailey, President

Hello friends,

When the calendar page turns to August, not only does it bring the dog days of summer, but also the Kino Bay Knews; which is a reminder that soon it will be time to pack the car or RV to return to beautiful Kino. I hope this summer, the demands on your calendar and your life are not as great as our busy Kino season and that you have an opportunity to refresh yourself.

When you arrive at Club Deportivo, **you will see changes and upgrades.** While most of us are back in our home state &/or traveling to visit family and friends and attending reunions; our staff – Filiberto, Betty and Chico – have been, and continue to be, hard at work completing summer work projects in order to ready the club for the 2015/16 season.

In April, your **Board of Directors approved the purchase of carpeting** (last purchase 2007) for the bocce ball courts and the putt-putt course. **Thank you to Johnny Evans and John Nicola** for their research and perseverance to make possible the purchase of and the installation in October, so that both areas will be ready for the November activities. Thank you to our staff, especially Chico, for removing the existing carpeting & scraping clean and smooth the courts and course.

In addition to new outdoor carpeting, the Board has plans to **renovate the casita (Tony's casa) in order to house our club library.** It will take many members, during October, to get the casita ready for the move.

I'm appealing to club members to volunteer to help with the renovation and when it's ready, it will take many hands to move and shelve the books and DVDs. Tina Floyd has volunteered to be project manager to plan and organize this undertaking. The upstairs room where the library was will be reorganized to hold the costumes and also have a break-room for our staff.

Jim and I are excited for the upcoming season and hope you are as well. The activities and meals planned are included in this newsletter. The directors of the planned activities will include items you may want to bring with you for the special nights at the Club.

Annual Club dues are \$91.00 for 2016 and are due January 1, 2016. To avoid a late fee, please pay by the 1st. If you are in Kino before January, you may pay your dues ahead of time, our staff will accept them whenever you arrive; Oct - Nov - Dec. If you won't be down until later in 2016, please mail in your dues to Club Deportivo, 50 E. Continental Road, P.O. Box 1065, Green Valley, AZ 85614. Dues paid in a timely manner help Betty, our office manager, with the bookkeeping. Also, only current paid members may participate in any/all Club activities.

I can't say this often enough – **the success of Club Deportivo is attributed to you, the members,** your commitment to joining, participating and volunteering in club functions and also to our dedicated staff – Filiberto Vargas, Betty Martinez and Chico Barraza. THANK

YOU ALL! Remember, our staff is always ready and willing to assist you, our members.

ANNUAL MEETING

February 13, 2016 – 9:00 A.M.

Club Deportivo

Up for Election:

President
Second Vice-President
Secretary
3 Directorships

If you would like to be considered for a position, please notify the **Nomination Chairman, Steve Lucas** (Kino Divers) 242-0229.

Community Outreach

by Brent Henderson

Hello everybody, we are looking forward to your return to Kino.

We have had a very productive summer other than the rain. We have been able to do **a lot of work within the school systems in Old Kino.** For example, we have:

- replaced windows,
- serviced and repaired the air conditioning,
- repaired broken lighting systems,
- fixed broken toilets, installed toilet seats,
- repaired bathroom sinks,
- installed water pumps,
- supplied picnic tables, and a many other general maintenance needs. In the next several weeks we will continue doing other repairs on the schools and playgrounds. Aside from the repairs we have also had the opportunity to provide a fax machine, a ping pong table and an exercise bicycle from the members of our community. Thank you all.

In addition to the school repairs we have been **able to provide materials to the Red Cross** for their addition, and have made repairs at the breakfast club. As for the AA center we fumigated complete properties, several times, and with the help of the escapee's provided them with a new air conditioning system.

Additionally, we have been able to fulfill the majority of the request for assistance in the community.

The clinic in old Kino is undergoing remodeling and they are building several extensions to the clinic. This is going to be a great asset to the community. At this time it is unclear if one of the additions is to be used for X-ray equipment. We will update you when we have more information.

Lastly, **we are in great need of backpacks, school supplies,** and birthday gifts for children. We still have an abundance of stuffed animals, but are in need of toys.

Thank you for your support.
Hope to see all of you soon!
Safe travels.

2nd V.P. Brent Henderson

GIVE THE GIFT OF AN EDUCATION!! Kino Ladies Klub (KLK) Scholarship Program.

This amazing program is once again supporting high school students in Kino to stay in school. This school year, we have **32 students on the program.** We will have 10 seniors, 12 juniors and 10 sophomores. Six of these students are being privately sponsored which means 6 families have specific students they want to financially support through our program.

In return for this gift of education, the students are required to donate 3 hours of their time each week at one of the two elementary schools working with teachers and younger children. Their grades are monitored and they must have a GPA of 75% or better to remain on the program.

This program is run completely on donations and all money donated goes directly to the school.

If you would like to give the gift of education, the cost is only \$120.00 (US) for one student for one semester or \$240.00 (US) for one school year. We accept donations (US or Canadian dollars or pesos), in any amount. **To make a donation** please contact any of the following committee members: Diane Ackerman, chair; Judy Hazen; Norma Veazey; Jacqueline Sinnett; Maria Evans; or Sparkie MacVeigh

Outdoor Activities

by Johnny Evans and John Carlen

Hi everyone,

Hope all is going well in your part of the world, wherever you may be. As I write this, it is 97 deg. F. with 57% humidity on my front porch. So the majority of you are probably not quite that warm.

We have all the normal activities planned for the coming season. **Goat head golf** tournaments, **putt putt and Bocce tourneys**, the **Lago Seco golf** tourney and more. Check your calendars as they come out for specific dates.

The new carpet for the Bocce and putt putt courses has arrived!! It looks just great and will be installed by John Nicola, myself and crew in early October. It will take some "getting used to" as it is a grassy surface, not unlike the golf greens. But it is a "forever" fabric and designed for soccer and baseball fields specifically for outdoor use. The installation will be tedious as it is very heavy duty and very heavy, **so we will need some strong backs from our local boys to assist.**

Enjoy the rest of your summer and we look forward to seeing you all in the fall!

From the Bar

by Penny Lucas, Bar Director

Greetings to all...

I hope you're enjoying your summer. As many of you know, Kino has been hit with several storms and the pictures that have been posted show how extensive the damages have been to the community. Kino will rally, as in the past, and move on.

Although I'm enjoying my summer

in Colorado, I'm also looking forward to this fall and another season at the club bar. **There will be some new features...**a wall cabinet to hold extra glasses and standing shelves on the back bar for bottles of wine, etc. Sometimes there is a fine line between "If it ain't broke, don't fix it" and improvements for better efficiency and serviceability. We'll be testing it out.

Please consider being a volunteer bartender during this next season. Thanks to the staff and volunteers from last year...I hope I can count on you again. There will be sign-

up sheets (with a spot to note if you'd like a 'bar class') and the monthly bar calendar posted at the club.

I would love to hear from you with any suggestions or bartender willingness at LucasDivers@aol.com and/or in Kino 242-0229.

See you in Kino!

2014 Humanitarian Award goes to Harvey White

On March 30, 2015, Brent Henderson, 2nd Vice President, presented to Harvey (Javier) White, the 2014 Chuck McDonagh Humanitarian Award. Harvey works, untiringly giving to our community, especially the children of Kino.

He has devoted many, many hours to selflessly helping Kino Viejo. The **music program** in Old Kino, which is enriching the lives of elementary and special education children, was his vision & concept; once developed and organized he was then able to put into motion the classes, enlisting help from many Club Deportivo members who have musical expertise.

Harvey ceaselessly creates ideas and projects for the betterment of Club Deportivo and was **instrumental in acquiring the new Comodato**. Harvey is very humble about all that he does for so many in Kino, giving credit to others without accepting credit himself; he is well deserving of this award,

CONGRATULATIONS HARVEY

Moving the Library

For easier accessibility for our members **the Library is going to be moved to the Casita.** Thanks to Perry Wilkes the plans have been drawn up for years.....now it's finally going to happen!!

Our target month is October. Tina Floyd has volunteered to be Project Manager, but **we still need lots of volunteers** to accomplish this improvement to Club Deportivo.

Volunteers..... please contact Tina Floyd, Anne DeFrance or Sandie Burnam.

In the Kitchen

by Sharon Chapman,
Meals Director

Hola,

Hopefully everyone is enjoying their summer as much as I am. In Kino, Chico, Fili and Betty have been working diligently on summer projects. I'm excited about the improvements to the kitchen and I believe the meal organizers for this season will be quite pleased as well. A big thank you to the club members that have volunteered to organize and /or sponsor the upcoming meals. I'm thrilled to report we have a delicious meal line-up and all meals have organizers.

However, sponsors are still needed...and that's the easy part. Bear in mind meals contribute about one third of the club's operating capital. Thanks to Carolyn Kinsman we have an attractive schedule posted on the kiosk and she will be posting it on the KBNNet as well. Please consider filling in a blank line or e-mail me at Sharaechap@aol.com with your sponsor preference. Your club and I appreciate your support.

Turkeys!! We will again ask returning Kinoites to bring in a turkey or two for the club's Christmas dinner; especially those that return after Thanksgiving when they go on sale. Our tummies thank you!

Meal Calendar 2015-2016

FOR OUR FISHERMEN

Information from Bill Berg

There is a new mobile application, in which the Mexican government hopes to make simpler for visitors to engage in sport fishing in Mexico. Officials in Mexico City and San Diego, CA, have launched an application called – **Sportfishing México** – to connect fishermen and boaters to the website of Conapesca, the National Aquaculture and Fishing Commission.

This is intended primarily for United States visitors heading south to fish, the application provides a connection to the Conapesca website:

www.sportfishingmexico.com. There, anglers will find vessel requirements, information regarding fishing permits and immigration documents, bag limits and other details, in both Spanish and English.

A sport fishing manual, Visit Mexico brochure, a directory of marinas and quick guide to sport fishing in Mexico are also documents that can be downloaded from the app.

Currently it is available only for Android devices, with an iOS version on the way.

An opinion letter from one of our members:

“Come on Man”

An open letter by Philip R. Williams, “Felipe”

To the Club Deportivo membership as well as full time or seasonal Kino Bay Residents:

Many of us have been visiting Kino Bay for many years; my first experiences in Kino were in the late sixties....seems like an eternity. Old Kino had no paved roads and it was obviously a fraction of its current size. New Kino had few homes on the beach the Posada Del Mar Hotel was very nice and the Kino Bay RV Park was (and still is) a happening place.

Now we have many beachfront homes approaching \$ 1 million dollars as well as a newer development - Kino Bay Estates. What is the attraction to Kino? Is it its quaintness, friendly people, sense of community and laid back lifestyle?

For most of us it is all the above, but it is the beautiful Sea of Cortez that draws us the most. I understand that the Club Deportivo too many is a social club but its roots were founded on sport fishing and safety – Recue One. **Have you ever talked to the old timers about fishing 25, 30 or even more years ago?** My Dad was one of those old timers. They all say one thing in common; the quantities and size of fish were much greater in years past.

It is all part of a global overfishing phenomenon which includes the Sea of Cortez. Fish populations have declined, big fish are gone. Big Marlins, Sail Fish,

Sharks, Sea Turtles, Mahi-Mahi (Dorado) and Yellow Tail are all on the decline, not extinct but on the decline. At one time turtles were plentiful, unfortunately the desire for turtle meat sent populations plummeting, the fins on sharks are their doom, shark fins bring up to 80 percent more than the shark meat – most are caught for the fins only. Enforceent....do we need the Mexican Government to tell us what is right or can we use common sense?

For certain a lot of the blame falls on the local Mexican fisherman, but keep in mind they are fishing to feed their families. We fish for the sport and to enjoy the Sea of Cortez. Is it sport to catch 50 plus (I have heard 91) Yellow Tail in the 10 pound range? Or land and bring in a 45 pound Marlin? Do not think for a minute that the locals are not aware of our “sport” fishing practices. And please do not justify overfishing by giving fish to those in need; it’s a bigger picture than that. If your boat catches 12 nice fish how about keeping 4 or 5 and giving the balance to those in need. Instead of using a gaff use a net to “catch and release”. We can still enjoy the Sea of Cortez including sport fishing while at the same time know that we are preserving and protecting it well into the future.

I know that many of you agree with my statements and I am thankful; for those that do not, please consider the result of your actions before it is too late.
