## The Prez Says...

### Hola Club Deportivo Members

We who are in Kino continue to enjoy the wonderful weather, and great camaraderie that being here gives us.

We welcome our many new members, and I hope other Club members will greet them and make them glad to be part of our community. It is always great to have new friends, or as we sang in Girl Scout Camp:

*Make new friends, but keep the old,  
 One is silver, the other gold.*

We are excitedly anticipating the **New Year's Eve Party**. The band will be entertaining and singing and wanting us to dance. The Club will open around 7:00, and the Rejects will play as long as we are dancing and celebrating the New Year. **COME**, and let's start the New Year right.

Please mark your calendars for the **Annual General Membership Meeting** to be held on Saturday, February 9, at 9:00 am. The nominating committee is still seeking

## RESCUE ONE

**A**s we roll through the Holidays, Rescue One is happy to report that our primary Radio Repeater has been cleaned and repaired, and returned to the Club by Carl Overcast. It will be installed in January, and the back up unit will be kept in reserve.

Summer Rescue One radio support for boaters during the 6 months of May-October covered 283 total boat excursions with 986 souls aboard, and a total of 7 rescues. Rescue One is in place to make sure all boaters launching out of Kino are tracked and protected. This is the primary reason our Club was born.

We will be updating our "Boat Information and Identification" sheets in January.

Dr. Dale Kemmerer, who coordinates our First Responders Volunteer group, had a meeting with our volunteers mid November. We are happy to welcome a new member, Richard White, a trained EMT.

Please remember to plan your land and sea excursions well, and prepare smartly, as you adventure around Kino Bay. Please use the services of Rescue One to enhance your safety and enjoyment.

# Community Outreach

The 2nd Vice President is responsible for overseeing the chairs of the Charitable Giving Committee, the Fund Raising Committee, and the Humanitarian Committee. All these committees are well in place and doing great work.

However, one of the most important roles of the 2nd Vice President is to serve as LIAISON between Club Deportivo and the larger Kino Community where we all live. How can we best support and contribute to the wellbeing of our neighbors? Many have been here longer and been more involved than I, so I am asking for your knowledge and ideas about how to best facilitate the most important process of KINO NUEVO and KINO VIEJO working together. Any wisdom and all suggestions are welcome.

Working together for a healthy Kino Community...

—**Laurel Hakim**, 2 V.P.,  
*Community Liaison*

## Club Deportivo's Annual HUMANITARIAN AWARD

will be presented in February 2019

Do you know people who contribute and give of themselves unselfishly? Please submit a letter, short or long, with your nomination to Club Deportivo or Laurel Hakim ([glhakim@prodigy.net.mx](mailto:glhakim@prodigy.net.mx))

# Kitchen

Well, the season is just flying by. Great food, great friends, great weather. What more could you ask for? Well, a few more turkeys would be great, we're only half way there. It would be a shame to tell half of our members, too bad, no turkey. Also, we need an organizer for the January 6 breakfast. We have sponsors and no cooks. Please step up to the plate (or stove) and let's get this breakfast organized.

Your Club depends on your participation in order to survive.

We have had some new organizers and menus this year, and the food has gotten rave reviews. Kino has some of the best cooks in the world!

We truly appreciate all our volunteers and also the sponsors. They are so generous to provide all the food we love to eat. Our meal events are a great chance to get out with friends, old and new. And no dishes to do! What a deal!

Sandie Burnam has done a great job of filling the calendar. Only the one spot left. And she filled all the sponsor spots too. Thanks Sandie, for a job well done.

**What a fun month this has been!!!**

Lots of events and festivities all around, the Bean Bag Tournament being specially awesome!

I would like to thank our amazing volunteers for stepping up whenever you are needed, Harold Becker, Ralph Coppock, Barb Kauz, Jim Donis, Craig Gresham, Mike Lewis, Darlene Colbert, Kevin K., Carol Wikel, Karen Webster, Sam Green, Melva, Caroline and Louise, you guys ROCK!

Thank you Betty and Rebeca for all your help, it is truly appreciated.

Remember to stop by the office if you want to volunteer on any event, Rebeca is keeping track of specific events and can set you up for your favorite one.

— **Caro Nava**, *Bar Director*

Pat Friesen keeps that kitchen running like a fine tuned machine. She also helps the organizers in any way they need it. Some are more nervous than others, but she is right there to support them. Thanks Pat!

We at Club Deportivo wish all of you the happiest of Holidays.

Merry Christmas,  
—**Terri Overcast**,  
*Kitchen Director*

# Outdoor Activities

## Está muy bien ver a tantos de nuestros amigos otra vez en Kino.

We are back in the swing of things with hardly even a missed step – well maybe a little stumble, but you will just have to forgive us. If we didn't stumble a little, we would be setting too high a standard for all who follow, and we don't want to do that.

Drop in **pickleball** started and is slowly building momentum. The court is set up most weekdays, and regular drop in has been rescheduled to 9:30 on Wednesdays to give some of us more time to get there. (Not saying I am slow, but you can read in between the lines.) We have approval and a contractor to extend the size of the court a meter on all sides for safety. This will mean the court will be off limits for a couple of days (will try to give advance warning). Pickleballers are being asked to help with the 50-50 draw at the Friday Happy Hour, as the proceeds will be used to pay for the court and the addition to the court.

**Putt Putt** and **Ladies Bocce** are in full swing – groovy man.

The first **Goathead** of the season was held November 15 with 27 players. Organizing crew was:

- Bill Stern on everything anyone else forgot, and registration,
- Jerry Menefee on sign-up and setting the teams. (He had the sign-up sheet posted, and he wasn't even in Kino. Must have a little Harry Potter in him.)
- Johnny and Mari Evans arranged for the lunch by Conchita.
- Veda Tucker and Char Webb on the closest to the pin hole.

- And on the all important drink cart – Melva Shaw and Carolyn Martine.

### AND THE WINNERS WERE:

- 3<sup>rd</sup> – Bill Chisholm, Jerry Menefee, Don White & Richard Tucker
- 2<sup>nd</sup> – Terry Roebuck, Frank Spencer, Mike Webster & Bruna Burbidge
- Winners – Robert Burnham, Marg Roebuck & Jim Lyons

The next tournament is January 3 – I know it is a long break, but Christmas and New Years' may distract you just enough.

The **Bean Bag** tournament is on November 28, 29 and 30. As of the writing of this article, it is just a highly anticipated event, so you will have to wait until the next newsletter for more details.

And finally, an update on the **T shirts** and **hats**. They are completed, just need to be picked up – orrrr – they have already arrived by the time you read this. Go see Betty or Rebeca to pick yours up while supplies last. Remember, you can suggest modifications (colours, type of shirt or hat) but they will only be given consideration if you put it in writing or an email. (My email is [chisholmwd@gmail.com](mailto:chisholmwd@gmail.com) in case you are interested.) My memory is good, but it is very short; so I need something I can look at again and again and again and -----

**Nos veremos en los juegos!!!**

# Indoor Activities

Mugs opened our party time with an excellent Class Reunion. Great attendance, great jokes, cute costumes and wonderful dancing for all with Marty Cortez as DJ.

Bingo has had good crowds and a smooth turnover from Sandie to Heather.

The Trivia has been fun and educational with some close ties.

Revolution day and Thanksgiving made for a slow week but weight and stretch enthusiasts kept up with their regimen with everyone pitching in.

50/50 proceeds have started toward the pickle ball court extensions. We have had many guests and good social hour attendance.

For December we'll have a Christmas decorating session before our Christmas dinner so do come all and help out. And for the 21st Friday social hour get those Christmas sweaters out and dazzle us.

As a Finale we'll have another wonderful New Year's Eve Party with our favourite band from 7 until midnight or later. Put on your party fare and be there!

### Reporting Period: October 12-November 24, 2018

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com If you can send reports by the 24th of the month, they have a better chance of being added in for the next report.

Also, **please** feel free to send **photos** of large, interesting or different catches!

**6/07** HILL BILLY YACHT fished north of Willard for six great grouper.

**10/12-13** (GATOR BAIT/EL PATO?)

Day 1: At Turner, mix bonito, Sierra, and yellowtail, all trolling, no limits.

Day 2: Turner, Sierra only.

**10/21** ESCAPE, EL PATO, and GATOR BAIT, all at Turner reports of wide open yellowtail bite plus four bonito

**10/22** PERRYDIZE with limits of yellowtail at Turner. ESCAPE went to Pedro Matir for a few yellowtail and "brownies"/cabrilla/sardinera.

**10/24** GATOR BAIT went to Turner for limits of yellowtail trolling.

**10/28** GATOR BAIT and SAND DOLLAR trolled Turner and Dead Man for limits of yellowtail and bonito, HILL BILLY YACHT went to San Esteban with similar reports of large fish and bonito.

**10/29** SAND DOLLAR and JAYHAWKER caught limits of yellowtail at Turner and Dead Man, with JAYHAWKER also getting one limit of bonito. GATOR BAIT fished Turner for yellowtail and Esteban for bonito. DOUBLE EAGLE caught limits of yellowtail and bonito at Esteban. HILL BILLY YACHT got limits of bonito at Esteban.

**10/30** TORO GRANDE got limits of yellowtail at an unknown location. HILL BILLY YACHT got limits of bonito at Esteban.

**11/01** GATOR BAIT caught limits of yellowtail and bonito at Turner and Dead Man, again. Whew!

**11/04** JAYHAWKER went to Dead Man and Turner for a baker's dozen yellowtail (and lost more) plus three bonito, all trolling. Most YT and bonito were caught on X-Rap 30 "ghosts". Three nice "pinta cabrilla" from 5 to 9.5 pounds were also jigged up at Dead Man by JH. SAND DOLLAR fished Esteban for some big yellowtail and limits of bonito. GATOR BAIT, PERRYDIZE, and HANNAH RYAN also fished Esteban, mainly at the NW corner for limits of yellowtail and bonito. HILL BILLY YACHT went to Esteban for bonito limits.

**11/07** JAYHAWKER fished Dead Man but it was dead, so went to the reef for a dozen yellowtail in rough conditions. HANNAH RYAN caught limits of bonito at Esteban.

**11/08** HILL BILLY YACHT to Turner for nice sized yellowtail.

**11/11** SAND DOLLAR, GATOR BAIT, OFF SEASON, PERRYDIZE, and NIGHTWINGS (after a long absence) fished Dead Man and the reef at Turner. Early on, the trollers were getting yellowtail at Dead Man but the bite slowed way down so the focus shifted to the reef after a report of yellowtail from GATOR BAIT came in. The fish there were hitting X-Rap 20s this time, especially in red head white and spotted minnow, fishing slowed there also after a number of boats got there. (GATOR BAIT was nice enough to share that information with the rest of the Pescadores.) Nightwings stayed at Dead Man to hook one nice yellowtail and a bonito in addition to one nice "pinta cabrilla" (or pinto bass) while jigging. Lots of bottom fish were caught as trollers began to target those species, including really nice triggerfish. Nightwings returned to DM to jig up three more pintas in about 15 minutes. The sizes of the total four pinto bass were 4.5, 12, 12.5, and 13 pounds. Those were fun to catch on jig sticks.

Also heard rumors of OVERCAST jigging at the reef and eventually getting approximately 35 pound White Sea bass and 84+ pound Black Sea bass, which he was sporting enough to release. Those big ones are important to reproduction for the species and not as tasty to eat either, so catch and release is an excellent idea.

**11/16** GATOR BAIT, HANNAH RYAN, and JAYHAWKER were all at Turner and Dead Man but DM was literally "dead". The south end of Turner produced yellowtail and a few decent bonito for the trollers, with White Ghosts, Red Heads and Spotted Minnows doing best. JAYHAWKER tried drift jigging for sea bass for two hours there but with only bottom fish bites. ROSIE boat went to Esteban to find 68 degree water, for five yellowtail and limits of bonito.

Later on, JH moved to Deep Reef for only a couple of goldies, but we did manage to adopt a homeless "lobo". El Lobo Marino proceeded to tail us all of the way to Dead Man, then to the south reef on Turner, where he snagged two yellowtail and my X-Rap. The second yellowtail he nailed escaped (or maybe he was playing with us) twice. The first

*Continued on page 8*

time the yellowtail was out of the water coming aboard when Lobo leaped up to grab the hapless "jurel", and then race about forty yards, before dropping it again. This second "YT release" resulted in a merry chase before he caught up with it and ripped the fish loose throwing the lure fifty feet through the air. The hapless lure was not done however, as a sea gull dropped down on it to get hooked in the beak, wing and foot. This resulted in more fun for us as "la gaviota" was not pleased with its "dinner" catch, much less being manhandled by two large angry humans. Sorry, but I digress.

**11/17** JAYHAWKER, PERRYDIZE, and NIGHTWINGS tried the south reef at Turner, and early on trollers had fair success with yellowtail but no bonito. The Red Heads and White ghosts caught most of the fish. Dead Man continued to be a fish-free (as in zero) zone except for triggerfish. NIGHTWINGS also tried Risco Colorado but sonar showed nada there and some brief jigging on the two marks went unanswered. PERRYDIZE and DOUBLE EAGLE went to Esteban, after a try at Turner where more and larger yellowtail, a few bonito and a sardinera of about 9 pounds were caught off the NW corner. GIZMO/CASTALINE went out on an overnigher for a nice catch of sardinera, a big grouper, and a couple of yellowtail up the northwest of Tiburon.

**11/18** HANNAH RYAN went to Turner and got a nice variety of bottom fish. NORTHSTAR went to Turner for limits of Goldies and one yellowtail.

**11/21** HILLBILLY YACHT fished Willard and points north for 17 yellowtail and 17 browns (sardinera) including a 30 pounder and two in the 20s.
