RESCUE ONE

This is a article I did a couple of years ago, but I think it needs to be addressed again. – RL

Proper VHF radio procedures

For the lack of a technical term, I'm going to call this "calling in the blind". This past couple of months I have heard several people calling Rescue One, Rafael, or just a general call. They are calling without establishing contact. In other words, they are calling another station (Person) and assuming the other station is receiving them. By this I mean that they are just calling and giving the station they are calling the information they want to transmit without ever knowing if they have actually contacted that station.

Proper VHF radio procedure is to establish contact with the station you are calling before you give the information you want to transmit.

Channel 26 is a calling and emergency channel only. This channel is to be used for calling, checking in and out for the boats or land vehicles, and general club announcements. If you have other business, call first on 26 to establish contact, then go to a working channel.

I hope everyone had a happy Thanksgiving, and you all have a Merry Christmas

—**Ron Leetch**, "Northstar"

1st Vice President, Rescue One

From Your President...

Howdy everyone:

Hope you all had a great Thanksgiving! Sounds like there was enough turkey for everyone! And it was a great opportunity for good friends to gather. We all have so much to be thankful for!

Would you believe Christmas lights and decorations are already showing up. Seems a little earlier this year. We all are anxious.

Thanks to Judy Hazen for taking on interim Kitchen Director for the remaining term. We still are in need for several sponsors and organizers for meals. Be sure to contact Judy if you're interested. Remember that the meals are a huge financial source to help keep our Club solvent.

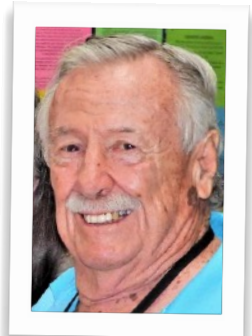

Our Staff is putting on our annual Christmas Dinner, a traditional Mexican holiday meal...with a few surprises. Sounds delicious.

Congratulations to Rescue One for their continued operation and ongoing services. Rescue One is a great asset to our Club and the community, and indeed a real life saver.

Be sure to see our Nominating Committee (Janet Pavlovich, John Hazen, Susan Buesing, Ichy Navarro, José de la Re, Barb Kaus) with your ideas for new Board Members, or if you're interested in serving on the Board yourself. It's a great way to use your voice where it can make a difference.

We are excited to welcome all new Club members. It's great to have a growing Club and welcome more members from the Mexican community.

Greetings!!

It's great to see that so many folks have returned to Kino for the season. How wonderful, it almost feels like normal times again!

In an effort to gain exposure for the Club and hopefully increase membership, I inquired about a booth during Kino Fest. I was informed by the very knowledgeable Betty Martinez that it requires an invitation from Kino Fest. Perhaps next year...

FUNdraising:

The Yard and Bake Sale has been rescheduled until early next year. The general consensus was "too much, too early." I agree without reservation. Please help us and Susan Buesing by volunteering in an effort to make this very important event successful.

The Rainbow of Treasures Auction on March 12th 2022 is still on track. We are hoping for a repeat of last season's wildly successful auction.

Charitable Giving:

The Club has been able to meet almost all requests for assistance. There have been a couple of requests for long-term monthly assistance that, unfortunately, we can't do.

Community Outreach:

Backpacks and school supplies are still needed for the elementary students. We also need birthday gifts for students enrolled in the Desayunador Program.

Humanitarian Award:

No report yet.

Membership Committee:

As this is a very recent addition to my responsibilities, I have nothing to report except that we always need more members!

—Rick Fisher, 2nd VP, Community Outreach

We're having good turnouts at our Monday sessions. The Kino Ball Jackpot is still growing every week.

We need your support for this fun activity.....come play with us...have a drink with your friends, and enjoy the afternoon!!

Library News

With not much to do during the pandemic a lot of us did jigsaw puzzles and then donated them to your library. Because of these much appreciated donations, we now have a "puzzling" situation. With not enough display area, we're having to stack them. Please don't hesitate to dig in these stacks....and take as many home as you can carry!!

Outdoor Activities

OUTDOOR FUN HAS BEGUN

Nov 18 was our first Goathead Golf Tournament. Competition was brisk with:

- **1st Place** — Tavi Kristjan, Marla Anderson, and Les Keute
- **2nd Place** — Robert Burnam, Jensine Moxley and Bill Kidd
- **3rd Place** — Carl Overcast, Harold Martine, and Kent Ogden
- **Closest to the pin** — JoAnne White and Bill Kidd.

Everybody loved the "Hotdog Man"

The Beanbag Tournament should be under way as you read this. Carl and Susan Buesing, plus Bill Stern, are making it happen.

Our next Goathead Golf Tournament will be on Jan 13, 2022.

Play safe and come join the fun.
—**Kent Ogden**, *Outdoor Director*

2022 Can you believe it? Club Deportivo has been through a couple of really tough years. So many of our members couldn't make it to Kino, and we wondered if we would survive! But the commitment and generosity of our members, the hard work of our staff, and the good will of our community kept us **alive** and **thriving**! An increased involvement in the Club of Kino's Mexican residents brings new energy and enriched diversity to our activities!

So, Let's Celebrate!! Get yourself gussied up for the **NEW YEAR'S EVE PARTY** and let's greet 2022 with all the positive energy that defines **CLUB DEPORTIVO!**

In November,

we had 14 events with the bar open, including our first two dinners and first golf tournament of the season.

We served dark keg beer at the Oktoberfest dinner, to the delight of many.

These activities brought in \$1,367 USD. We have the big Christmas dinner coming up, with specialty drinks at the bar, and the New Years Eve party where the bar will be open.

We're doing well, but I'd like to see us doing better. So step up and have a drink!

See you at the bar,

—**Jean Lewis**, Bar Director

Indoor Activities

Club Deportivo is once again our favorite place to gather and enjoy each other's company.

Welcome to our New Members and welcome back to all our returning Members.

November was a fun filled month with most of the indoor activities rolling along. I thought the Pumpkin Carving was a kick and we had some truly great carvings! **Loteria** (Mexican Bingo) is a great game and is easy for non-Spanish speakers to play. Check the schedule for days and times... I'm game!

December is just around the corner, so we need to get into the Holiday Spirit. I would like to have some volunteers to help **decorate the Club** on December 7 starting at 1:00 p.m. On Friday the 10th let's see who has the **Ugliest Christmas Sweaters**! A small gift may be the prize.....

Christmas Dinner will be on the 11th with an All-Mexico Theme. Yes, something different and quite appropriate for a Kino Bay Christmas! This should be a great time, with mariachis and an entertainment surprise!

The Staff will organize a **Winter Solstice Bonfire** in the Club parking lot December 21 at 5:00 p.m. on December 21. Bring your own chair. The Palapa bar will be open.

A **New Year's Eve Party** is planned, with a DJ playing our favorites from the 70s and 80s from 8 to 10 p.m. Bring snacks to keep your energy up for the Balloon Drop! Of course, Club Deportivo always encourages its members to enjoy a special dinner at one of Kino's excellent restaurants before joining us for festivities at the Club!

Thank you for all your help, I can't begin to do this without all of you!

Prices have gone up everywhere due to inflation, and so have Dr. Jose's sterilization fees. Now it takes \$720 pesos to either neuter or spay a dog instead of \$600 pesos.

Have you noticed extra dogs in New and Old Kino? We did stop the program this summer for two months because we had run out of funds, but we will surely do more than 200 by the end of the year. Thanks again and again for supporting KBNSA.

Reporting Period: October 25 to November 25, 2021

Note: Missing dates normally mean that the wind contributed to boats not going out to fish, or that no one replied to my requests.

Please send me any fishing news or pictures (especially): lyncurt0@gmail.com. If you can send reports by the 24th of the month, they have a better chance of being added in for the next report.

In general, the Bonito and Yellowtail are still biting greedily and most fisher persons trolling are catching limits plus. Little else, other than plentiful "Goldies" has been reported to me. Dead Man seems to be the most dependable location, with the south reef of Turner number two.

10/29/21 EL PATO fished Turner and Dead Man for limits of Bonito and Yellowtail in addition to bottom fishing for "Rockies" (Spotted Bay Bass). EL SUENO reported the same at the Turner area. Both GATOR BAIT and HILL BILLY YACHT actually went to Esteban for its limits of Bonito and Yellowtail trolling. ESCAPE fished San Pedro Matir for big Goldies and bottom fish, including two nice "Baquetas" AKA brown Groupers, between 25 and 35 pounds. NIGHTWINGS caught limits of Bonito and two Yellowtail and Dead Man, and two Pinto Bass (Pinta) and bottom fish including one Goldie over 6 pounds while jigging with squid bait at Colorado Risco. There were a couple of hungry sea lions (lobos) at Dead Man, and the bites did tend to stop in late morning at all locations.

11/01/21 GATOR BAIT and caught limits of Bonito at Isla Turner while trolling.

11/02/21 HILL BILLY YACHT and GATOR BAIT caught limits of Bonito at Isla Turner while trolling.

11/04/21 WET WILLY caught limits of Bonito and Yellowtail at Turner (?) and 2 Sardinera (Leopard Grouper/Brownie).

11/05/21 DAKOTA trolled for limits of Bonito and Yellowtail at Turner.

11/06/21 GATOR BAIT, LA DONNA, fished the Turner/Dead Man area for limits of Yellowtail and Bonito and bottom fished for limits of Goldies.

11/08/21 SAND DOLLAR trolled up Bonito and Yellowtail at Turner and Goldies bottom fishing.

11/13/21 SAND DOLLAR caught more Yellowtail and Bonito at Turner and Goldies and Scorpion fish on the bottom.

11/14/21 SAND DOLLAR still on the Bonito, Yellowtail, and Goldies at same location.

11/18/21 NIGHTWINGS fished the beach at Christmas Tree and the point at Estero Santa Rosa for four decent Cortez Halibut.

11/19/21 HILL BILLY YACHT caught limits of Bonito and 2 Yellowtail at Dead Man and LA DONNA caught limits of Bonito at Turner area.

11/20/21 EL SUENO caught Bonito and Yellowtail near Turner.

11/20/21 FOR PLAY went to Turner area for limits of Bonito and two small Yellowtail.

11/22/21 GATOR BAIT (on tour) caught 2 Striped Marlin, 14 Dorado, and a Rooster Fish while fishing out of Cabo San Lucas.

11/25/21 NIGHTWINGS fished the beach at Christmas Tree but only saw a couple of small "Sandies." We also confirmed rumors of the presence of a plague of "Jejenes" or "No-See-ums." Repellent helps a little, a fresh breeze does a lot more. Also found some interesting "markings" on the beach leading from the water.

With the Spanish and Catholicism, came Christmas, which has evolved over centuries into the unique traditions of Christmas in Mexico today.

In Mexico, people celebrate Christmas from December 12 to January 6, with an extra holiday on February 2.

From December 16 to 24, *LAS POSADAS* finds children carrying candles as they walk from house to house singing and asking for shelter. *POSADA* means inn or lodging, so this tradition represents Mary and Joseph searching for shelter in the biblical Christmas story. On each night of the Posadas, a different family holds a party with food, drinks, and music.

Another classic custom is *LAS PASTORELAS*. These are plays depicting the shepherds' journey following the Star of Bethlehem to find the biblical nativity.

Christmas Eve is the main event in Mexico. Known as *NOCHE BUENA*, it is when most families come together to celebrate. Many

families attend a special mass at midnight known as *MISA de GALLO*.

On Christmas Day, people continue feasting but are often too tired to do much else!

December 28 is the celebration of *LOS SANTOS INOCENTES*, honoring the babies King Herod ordered killed in his attempts to kill the baby Jesus.

January 6 is *DIA DE LOS REYES* (Three Kings Day). This day is one of the most popular traditions in Mexico, and it is celebrated with an oval shaped bread covered in fruits, with a small baby figurine inside. The bread is called *ROSCA de REYES*. Whoever gets the small plastic baby in their slice of bread is required to throw a tamale party on February 2!!!

February 2 marks the end of the Mexican Christmas season. This day is called *LA CANDELARIA* and is celebrated with lots of crazy parties to end the wonderful holiday season.

Party on, Kino! *FELIZ NAVIDAD* y'all! – CN
