RESCUE ONE

Welcome back to Kino!! I hope that you all had a good summer and are ready for some fun and relaxation. That being said, I hope that we all will participate in the events the Club has scheduled and not worry about who has and who hasn't. As far as I'm concerned we have had enough of people trying to divide us over issues. We are all CLUB DEPORTIVO MEMBERS. That is all there is to it. You all are like extended family. Personally, I am so thankful that I get to come back to Kino for another season, and to be with all my friends and family.

—**Ron Leetch**, "Northstar" 1st V.P./Rescue One

From Your President...

Howdy you all:

The 2021/2022 season has finally arrived! Our members are beginning to show up in Kino.

Unfortunately, the COVID crisis is still among us. Club Deportivo will continue to operate within the Mexican laws and safety protocols. Hopefully this will help keep our members and the community safe.

We have had several new members join over the summer months. We welcome them all! There are more and more Mexican families buying up property in Kino and spending more time at the beach. This could be a great opportunity and a good source for potential new Club members, giving the Club both a cultural and financial benefit. Additionally, more local members could result in more year-round activities, which could be financially profitable for the Club and great for the membership!

As we approach the new year it's time again to start thinking about new board members. Several may be staying, and some may not. We'll know more after our directors' workshop and board meeting in November. Thank you Susan Buesing and Janet Pavlovich for being on the Nominating Committee. However, we still need a committee chairperson so we can start recruiting potential board members.

You all may also want to consider being on the Club board! It's where you can really make a difference and have a say in our Club's future.

I want to again say a special thanks to Francine for all her help and support during our absence.

We look forward to a really fun and exciting season!

At Club Deportivo's Annual Meeting in February, which all members are encouraged to attend, the President will summarize the Club's activities and situation from the previous year, the Treasurer will discuss how we are faring financially, and other members of the Board of Directors will review their areas' activities over previous year.

With regard to the elections, board members are elected for two-year overlapping terms, and half of the positions are filled on alternating years. A sitting board member may choose to stay on for an additional term at the end of his/her two years, but members still may nominate other candidates for the position, and those nominee(s)' name(s) also will be on the ballot. Nominations from the floor are always permitted for the positions up for election in that year.

We're Up and Running!

How great it is to finally be able to have meals again at the Club, starting with our first breakfast on Sunday, November 7.

I've been out of commission and in the States for a while but hope to be back very soon. In the meantime, Judy Hazen, our super recruiter/organizer, has put together a great bunch of meals, and I'll let her tell you what she has lined up.

Thank you, Judy, for a super job.

Hope everyone is ready for a Full Meal season in Kino, because we have some delicious specials planned for you: Perry & Carolyn's Green Chile Cheese Egg Casserole breakfast, Rusty & Kim's Octoberfest dinner with appetizers, Ron & Nancy's mouth watering homemade Biscuits & Sausage gravy, Tavi & Sheila's Lasagna dinner...and much more! You won't go away hungry! Here's the line-up at this time:

11/7 Breakfast: Green Chili cheese and egg casserole, sugared orange scones, and fruit salad.

Organizers: Carolyn Kinsman and Perry Wilkes
 Sponsors: Maggy and Harold Becker and Dale Kemmerer

11/13 Dinner: Octoberfest! Bratwurst, sweet and sour red cabbage with apples and bacon, potato pancakes. Dessert is gingerbread with whipped cream. Also Alpine Swiss seasoned cottage cheese and crackers for appetizer.

Organizers: Rusty and Kim Aiken
 Sponsors: Marie and Larry Hannan, Craig and Mugs Vernon, Luz Carmen and Butch Holveck, Kent and Teresa Sawatzky.

11/21 Breakfast: Homemade Biscuits with Sausage Gravy, scrambled eggs and orange juice.

Organizers: Nancy and Ron Leetch
 Sponsors: **OPEN**

11/27 Dinner: Lasagna a la Tavi, Fennel cucumber salad, Garlic bread and Profiteroles drizzled in chocolate.

Organizers: Sheila and Tavi Kristjian
 Sponsor: **OPEN**

As you can see, we are still in need of **SPONSORS**. Sponsorships are another way of providing lots of joy (in the form of good food) that helps keep Club Deportivo active and afloat! A breakfast full sponsorship is \$200.00 US, and dinner sponsorships are \$600 US — a 1/4 at \$150.00 or a 1/2 at \$300.00.

Then there there are the **ORGANIZERS!** Organizing and preparing a meal can be lots of fun — a team effort — and we provide whatever support you might need from people who know how it's done.

We're looking for a **Super Santa's Helper ORGANIZER** for the **Christmas Dinner!** This is always such a wonderful and popular event. Help us make it happen!

We were unable to have a full slate of meals last season, and without them the Club suffers financially! But now we're back in business, so **PLEASE PITCH IN!** A sign up sheet is on the wall at Club Deportivo! And you can contact me...

Indoor Activities

Happy November, Everyone!!

I'm sure you are all glad to be back in Kino after a long hot summer.

I've been trying to get the indoor activities in some sort of order, but I'm sure I've missed some. So please let me know what I need to add to the morning announcements.

October was somewhat busy with Yoga starting and Social Hours back in full swing. We still need to abide by COVID recommendations. However, once in and seated you may unmask! I was excited to attend Billy Bennett's Western Entertainment Night on October 22, and we had a great turnout! The Halloween Party was being planned when this newsletter was going into

production, so we just have to assume everyone had fun, with a Pumpkin Carving Contest set up at each table.

Weight and Stretch starts today, Monday, November 1, with classes Monday, Wednesday, and Friday, at the Club starting at 8:15 AM.

Trivia will be every other Tuesday starting on November 16. Bingo is in full swing, again, starting today, November 1! And I believe Mexican Bingo will be every other Tuesday or Wednesday, but I don't have confirmation from the group yet.

I hope to see many of you at Club Deportivo enjoying this wonderful Little Town by the Sea.....

Thank you,

—Anne Stern, Indoor Director

All donations are appreciated and add to the ever growing reading and watching enjoyment of our members and their friends!

—Sandie Burnam, Librarian

Hello and welcome back to those returning to Club Deportivo! I feel a sense of optimism this season — a welcome change considering the last few seasons we have endured. There are some great FUNdRaising events coming up:

- **November 20th, Yard Sale and Bake Sale**
- **March 12th, Rainbow of Treasures Auction**

Susan Buesing is coordinating both of these important FUNdRaisers and could use some assistance. Please step up and help her out!

The kids are back in school on a modified schedule and are in need of supplies. The Backpack Program and Desayuno Program are in need of things like:

- **Student backpacks**
- **Pens, Pencils, Markers & Crayons**
- **Notebooks**
- **Safe scissors**
- **Glue sticks**
- **Rulers...**

Just drop your donations off at the Club office. Your generous support is greatly appreciated!

HOW YOUR CHARITABLE GIVING WORKS

The Charitable Giving Committee recommends disbursement of funds from Charity accounts in collaboration with the Second VP and the Club Manager.

There are 3 main charitable funds or accounts. They are as follows:

- Board allocated funds which are generated from 10 percent of membership dues;
- A line item charity account which is raised from special events (The Benefit Dinner) and donations
- The 501 3c non-profit charitable foundation which holds funds for specific needs which are raised from individual donations

This past year there were no funds provided to the committee from the benefit dinner, but we did receive a donation from generous members. These donated funds were used primarily to provide food vouchers to members of the Kino community.

The board allocated funds for the past fiscal year totaled 59,027 pesos and were given to people of the community to help with medical tests, medication, food, gas/transportation, and medical oxygen. Prior to giving out this money, we try to ensure that all other means of help have been exhausted.

For this coming year, we have 4558 pesos to allocate for each month (54,697 pesos for the fiscal year beginning October 1. Again, these funds are allotted from your dues; so, thank you for being a member!

—**Shauna Smith**, Chair, Charitable Giving Committee

A word from the Second V.P.

The Charitable Giving and the Fund Raising Committees operate under the supervision of the Second Vice President in charge of Community Outreach. It is a pleasure to work with Shauna Smith and Susan Buesing, who chair those two committees. Their leadership makes it possible for me to focus on the larger picture and participate in the First Responders program. **Thank you, Shauna and Susan!**

Outdoor Activities

Want to say welcome back to all my friends who love to play with Rackets, Bean Bags, and Balls. **Let the games begin.**

I may be a little late arriving in Kino, but that won't stop our first **GoatHead Golf Tourney, Thursday, November 18.** We're making plans to "Meet and Greet" the finest golfers Kino has to offer.

Sign-up sheet will be up in a few days. As soon as I get up with protocol, we will inform you of other activities to come.

Stay active, healthy, and happy.

Our website...

www.kinobayclubdeportivo.com

is a community resource. I was happy to have created the website, but there's so much more to a website than its creation. It must be updated all the time: photos, club events, restaurant and lodging info, Rescue One, boating and fishing, tide reports, phone lists and addresses, Kino charities, newsletters, golf club, etc.

It can be so much more than it is now if I receive this kind of information from people involved in these many activities. That's the first step, but I truly cannot manage this website by myself. The second step is that I need a committee.

Who is willing to help? Please email me! Thanks so much for getting involved.

Hi All!

Welcome back for all those that are here. See you soon for others.

- I have purchased pipe to replace the stage curtain rod to eliminate the sagging problem and make it more secure.
- Self closures for the three gates will be installed in hopes of keeping critters from having access to the inside grounds.

My thanks to the staff for all of the summer projects completed in the off season. Good job!

Reporting Period: October, 2021

Note: Missing dates normally mean that the wind contributed to boats not going out to fish. Please send me any fishing news or pictures (especially): lyncurt0@gmail.com. If you can send reports by the 24th of the month, they have a better chance of being added in for the next report.

Welcome back to Bahia Kino and the real start of the fishing season. A lot of boats are ready or "near ready" to get out there fishing. In general, it sounds like the Bonito and Yellowtail have been cooperating around the Turner area, and timing is the key or secret, but I am not sure what that secret is at this time. There has been some good variety of catch also, with a few nice Sardinera/Leopard Grouper and even a Baja Grouper and an "early bird" White Sea Bass brought in. Trolling with X-Raps has worked best so far, with mixed color reports, such as pink, white with red lip, green and blue Mackerel, and blue and silver.

10/17 GATOR BAIT caught limits of Yellowtail and Bonito around Isla Turner.

10/19 HILLBILLY YACHT fished Turner for limits of Yellowtail and Bonito. EL PATO also fished around Turner for limits of Yellowtail and in deeper water for Goldies.

10/22 DAKOTA boat caught Yellowtail and Bonito around San Esteban in addition to two Baja Grouper and some nice Sardinera/Leopard Grouper/Brownies. Nice haul! ESCAPE was at Turner for limits of Yellowtail and a Grouper.

10/23 DAKOTA went to Turner for limits of Yellowtail. DOS PRIMOS and EL PATO caught Yellowtail and Bonito around Turner. GATOR BAIT did the same plus one Sardinera at Turner. EL SUENO fished Turner and the surrounding area for a mix of Yellowtail, Bonito, Sardinera/Leopard Grouper (around Dead Man) and one White Sea Bass south of Turner. They also fished deeper water for a catch of Goldies.

10/25 GATOR BAIT at Turner for limits of Yellowtail and Goldies, mostly at Dead Man. DOS PRIMOS at Turner area for Yellowtail, Rockies, Goldies and Bonito. ESCAPE was at Esteban for limits of Yellowtail and some Sardinera. SWELL DAZE at Esteban for Yellowtail. EL SUENO caught Yellowtail, Salmon, Pargo, and Goldies.

A KBNSA UPDATE

An Honest Look at What We Do

We at Kino Bay Neuter and Spay are in our 8th year of doing our best to reduce the unwanted dog litters in the Kino Bay Community. Since we began our program, over 1,000 dogs have been sterilized. This year alone over 156 dogs have been neutered or spayed. We have been able to reduce the abandoned dog population and discarded puppy litters due to your contributions. Is our program perfect? No, although we do work to monitor and improve every year — for each and every local dog that is in need.

Here are some good things about Dr. Jose's veterinarian practice:

1. Dr. Jose now has a professional scale to weigh the dogs before surgery.
2. He purchased an operating light.
3. He calls each dog owner the next day to check on the health of the dog.
4. He administers a rabies vaccination and gives the dog's owner a rabies tag and a certificate of injections with a vaccination schedule.
5. He charges our organization only \$35 USD for each neutered or spayed dog.
6. He now uses dissolving sutures on every dog that requires stitches.

The bad things? Two to three percent of Kino dogs die during or immediately after surgery. This breaks our hearts more than we can express. But many dogs come in malnourished with fleas and ticks or with other pre-existing conditions that are unknowable because of lack of laboratory and imaging services. But we know that Dr. Jose does the best he can to save every dog. A board member discusses every bad outcome with Dr. Jose and a personal call is made to the owner of the dog. That's truly the best we can do.

We know that what we do is important to the community, beneficial to the dogs and to their owners. Thanks for supporting this valuable service to Kino.

To be useful to the community by providing goods and services and to organize, facilitate and coordinate as deemed beneficial.

A Message from

The current status of KLLK remains on hold until January 1, 2022. Hopefully this will allow your board time to regroup and discuss how best to proceed. Our number one priority is to keep everyone safe. The CDC continues to stress the use of masks social distancing and avoiding large crowds. Additionally we will need time to replace board members who will not be returning and those who wish to give up their position. It is my hope that your current board will continue with their position for the current year.

Because this is most likely going to be a short season for KLLK, dues will be suspended. We will resume collecting when a full season is underway.

The board has reserved a date for the KLLK to hold the golf tournament and raffle. That date is February 10. The proceeds of this event will help with our funding of the Scholarship program. More information will be shared as we finalize plans.

Speaking of the Scholarship Program, the program is status quo. The high school students are still not back in the classrooms, so no new students will be added until spring. You can still sponsor a child or donate to the program by contacting Diane Ackerman (teacherjdiane@gmail.com) or Judy Hazen (JohnJudyHazen@gmail.com). The committee continues to monitor the program. They are dedicated and supportive to the youth of Bahía Kino.

We're all looking forward to the reunion of members and board. It is my hope that this will be a great year for us all.

NEWS AROUND TOWN

Editor, Cathie Nall

DID YOU KNOW...?

We can't help but notice all the growth and changes happening in our once quiet little pueblo. Now, here's something you won't find "on the beaten path" – **GLAMPING!!!** A portmanteau of "Glamorous" and "camping" not usually associated with "traditional" camping is now available just up the road!

But first, a little history. The word "Glamping" was added to the Oxford English Dictionary in 2016. While the word is new, the concept is not. In the 16th century, the Scottish Earl of Atholl prepared a lavish experience in the Highlands for the visiting King James V and his mother.

Probably the most extravagant example of "Glamping" in history was the Field of The Cloth of Gold, a diplomatic summit in 1520 between Henry VIII of England and Francis I of France in northern France.

And now "Glamping" has come to Kino! Twelve miles north of Kino, off the Punta Chueca highway, is **Rancho San Miguel**. We all know this Rancho as Dos Palmas! A section of the Rancho has been designated as **Vista Serena**, and within this section a new Glamping destination has been constructed.

Fit for a King, **AZUL XERENA** offers a unique contradiction of experiences – an ecological experience in the heart of the Sonora Desert and the Sea of Cortez.

Visit the AZUL XERENA website (<https://clarissabell.com.mx/glamping-campamento-azul-xerena-kino-hermosillo-sonora/>) for detailed information. Or, take the short drive to Dos Palmas to witness this amazing development for yourself! – CN
