RESCUE ONE

I would like to give a big "THANK YOU" to all who helped with the upgrade of the new radio tower.

The total cost of the repair and upgrade came to \$1355.00. This was 100% funded thru donations from Craig Vernon, Butch Holveck, Rusty Aiken, Scott

Hattenburg, Jim and Francine Bailey, Jim Wilson, Bruce Brown, Invictus, and Cathie Nall. And last, An anonymous donor from Kansas.

I would also like to thank those who helped with the actual installation: Scott Hattenburg, Randy Hattenburg, and Rick Hussey. A fun time was had by all!

Remember this month is Easter month, and the weather is getting nicer. The ramp will be very busy, especially on the weekends. Be patient and be safe.

Please contact me by phone 662-0277, radio North Star, or e mail RNanro@aol.com

Greetings!

The season is winding down but it appears that our support and enthusiasm for the Club is not! Great results from our Fundraising Auction that exceeded our wildest forecast!! I am eternally optimistic about our Club's future. We are receiving new members, both Mexican Nationals and those from up North, at a fantastic rate. It's so gratifying to see Members recruit New Members. Very encouraging!

Along with the New Members comes a wealth of experience and new ideas. This is exactly what the Club needs to not only survive but to prosper. I eagerly look forward to hearing from every Member with expectations as well as the vision for our Club's future.

As expected, we still have some work to do to "get our house in order." With the amazing support I have already received, and quite frankly need, I am confident we will succeed.

From the Secretary:

What a delight to get to know the workings of this Club up close and personal! I've had some amazing experiences as I get to know the people and places that define Kino. One thing I've seen that is common among these experiences is simple human kindness. It's running rampant throughout our Club; and I love it!

Example One: Collaboration. I've had the chance to work closely with experienced volunteers. As a newbie I am bound to make mistakes, and I have! I was not criticized. I was corrected with kindness. This is a quality that not all members of boards have. I'm grateful to you all for sharing your wisdom and communicating with kindness!

Example Two: Sharing. I love to play pickleball, and I get the chance to play most days of the week! When we start in the morning, there are few of us, and our number grows (to up to 14!) as the day progresses. Early, then, we have certain rules of play that work well for 4 -6 people. Any more than that, the rules need to change to be more inclusive. Our Kino group does this seamlessly. Great sharing guys!

Example Three: Helping. I was there when Harold Becker's tire went flat on Mar de Cortez. I was amazed at the speed with which help arrived. (Club members, of course!) Harold's tire was inflated and rambling down the road to the tire shop.

That's my evidence of human kindness spreading around the Club. From my perspective, we need to keep it going, Club! Sincerely,

—**Dr. Julia Hilton**, Secretary,

The Club now has a sign up sheet for Members helping Members. We are especially in need of translators – English-Spanish and Spanish-English. —*Thank you*

from the staff

Dear Members of Club Deportivo,

With the arrival of the month of April we can see that the end of our meal schedule is approaching. However, I would like to remind you that this is not the end of our activities. We continue to have activities for you such as Pot Luck, Trivia, Loteria, Social Hour, Yoga, Bingo, line dancing, etc., which require your valuable participation. And of course our courts and library remain open for you on the regular schedule. We ended the month of March with a total of 267 full-time paid members, six temporary members and five new members! Thanks for spreading the word among your friends!

With the arrival of summer comes also our summer projects which are aimed at beautifying and preparing our facilities for you to enjoy the Club in the next season. Without a doubt it is a busy season. Feel free to suggest any project you would like to see done at the Club; and if you have time and the desire to help, you can come to the office and choose a project in which to collaborate. Extra hands are always welcome.

The staff of Club Deportivo wants to thank all our members for their help, patience, collaboration, guidance, readiness, generosity, and all the support we received in the difficult and stressful time we've had over the last few weeks. You all made this transition easier.

We firmly believe and trust in the strength of Club Deportivo as an institution, which is based on the spirit of its members. You are the ones who make everything possible. People come and go, and everything is temporary; but as long as Club Deportivo continues to have members like you, Club Deportivo will prevail.

Sincerely,
— **Rebecca Mendoza**, Office Manager

Community OUTREACH

Thank you!!

I had my first experience at organizing a dinner for the Club last month, and I want to thank everyone who helped me — including Alfredo, of course!

I want everyone to know how happy I am to serve as the 2nd Vice President in charge of Community Outreach. Since I took the job I have learned a lot about the many ways our Club serves this community — the support of the schools and people in need. I am excited to do this job and ask you all for help to do the best I can.

One project I have planned is to collect the stories of all you Club Members and put them in a book. I want to know how you arrived in Kino, what your life is like here, and maybe include photos and whatever else you would like to share.

We've been reviewing the Club's donations and plan to get to personally know the schools and other programs in Kino Pueblo to better understand their needs so that we ensure proper use of the funds we have raised to support them.

FUNdraising:

Sandie Burnam is once again the chair of Fund Raising and is already planning for next year. And she still takes care of the **Library**! Thanks, Sandie.

Charitable Giving:

Shauna Smith and the Charitable Giving Committee are finishing up the details of distributing proceeds from the dinner and auction last month. Good job!

Membership Committee:

Candy Marsters, new chair of the Membership Committee, is getting lots of help recruiting new members! We welcome them all.

I am surprised and happy to be part of this Club and feel very grateful. I hope to do a good job!

Good News about our Library ----- we're expanding!!

VERY IMPORTANT CHANGE RE. USE OF DON SMITH'S PACKAGE DELIVERY SERVICE. BE ADVISED!

For some time, Club members who purchase their Mexican auto insurance through Don Smith have enjoyed Don's generous offer to accept packages at his office in Nogales and hold them for pick-up by folks who then bring them to Kino. One Club member who has generously been doing frequent pick-ups for some time, Pat Akins, has informed us that it will no longer be possible.

On Pat's last trip down, he was stopped at the border and told he was in violation of federal law; that he could not "complete delivery" of packages from commercial vendors if he did not have a license to transport, declare all values, pay duty, etcetera.

Therefore, it is not longer viable to continue this service. While Don Smith is still willing to receive items, it will from this time forward be the responsibility of any person placing an order to arrange for the pick-up from Don Smith. You may pick it up yourself or make arrangements with a friend or acquaintance to do so with the understanding that they may be required to pay import costs. In any case, the arrangements and liabilities will be shared by the person ordering and the person agreeing to make the pick-up.

CLUB COMMUNICATIONS

Hello! I am Susan Buesing and I have recently joined our Club Deportivo Board and my position is Communications Director. I invite your Club thoughts and ideas. My responsibilities are to attend Board meetings when I am in Mexico, and in these meetings I want to be a good listener, to share ideas, and to keep the best interest of the Club in my focus.

Also, as Communications Director, I get the opportunity to work with the lead people in these five areas: Library (Sandie Burnam), Web page (Bev Kolosseus), Calendar (Carolyn Martine), Newsletter (?), and Weekly Schedule (Susan Buesing.)

I will try my best in this position, but I might make mistakes without wanting to make them. Your help and suggestions are welcome.

AND ABOUT THAT QUESTION MARK...

Carolyn Kinsman has done a fantastic job doing our monthly Club Newsletter. (Thank you Carolyn)

Now, next season, Carolyn plans to do some traveling and our Club needs someone to step up to take over this newsletter task. (Carolyn said she would help this wonderful person who steps forward.). Please let Susan Buesing know if you are willing to do the Club Newsletter for next season, sbues@Icloud.com

I (Susan Buesing) am also looking for your ideas and suggestions for our next season's Club Newsletter. Please e-mail your thoughts, sbues@icloud.com

Lastly, on April 8th after 10:00 AM a Free Drink Coupon will be hidden in the Club Deportivo main hall area.

IT'S ALL ABOUT THE

March meals included a breakfast March 6 with organizers Maggie and Harold Becker and Joan and Maurice Fairweather. Sponsors: Rick and Linda Harris, and Marlayna Mackenzie and Jeff Cobb. Serving egg, cheese, and sausage casserole.

Kim and I, along with the Hattenburgs — Scott and Penny, Randy and Bonnie, filled in for the canceled Mexican breakfast with french toast, bacon, and fruit. Sponsors: Bill and Judy Kidd and Dick and Karen Anderson.

Janet Pavlovich organized a pulled pork taco Mexican style meal with all the trimmings for March 26. We had a great turnout, and it was a huge hit! There was even some surprise live music. Sponsors: Rick and Linda Harris, Maggy and Harold Becker, Joan and Maurice Fairweather, and Bud and Jennell Stepheson.

This month we have two breakfasts on the calendar. On April 3, Kim and Rusty Aiken will organize, and the menu is Pancakes, bacon, scrambled eggs, fruit w/yogurt, juice and coffee. Sponsors: Marie and Larry Hannan, Bonnie and Randy Hattenburg. We have sponsors for the April 24 breakfast but still need organizers. If you've never done it, give it a try. We provide lots of coaching and support!

Saturday April 9, Scott and Penny Hattenburg are organizing a smoked meat loaf meal, mashed potatoes, glazed carrots and dessert. The Aiken family — Mag and Ed Browning, Sam and Cindi Aiken, Rusty and Kim Aiken, and Sara and Wayne Beck — is sponsoring this meal. Tavi and Sheila Kristjan will do some of Dad's poems as well as sing a few songs. This will be the Club's last dinner of the season.

That kinda sums things up. **But What About Next Season.....**

The board is working on next year's calendar, and it will be finalized by this newsletter publication. A sign-up sheet for next year's meals will be posted at the Club near Rebecca's office, or you have all summer to contact us. We want to encourage new

involvement with this important and fun part of the Club. We tip our hat to the current players and appreciate their past and future meals.

The board is looking forward to a new beginning and is planning a golf tournament scheduled for February 9, 2023, subject to approval from Kino Desert Golf.

We welcome the women of our community. During normal years, we enjoy social lunch gatherings on the second Tuesday of each month, from November to March. ALL LADIES of Kino are welcome!

BREAKFASTS and DINNERS at

Club Deportivo

Enjoy good food.
Support your Club.
Get involved!

CLUB DEPORTIVO BAHIA DE KINO, SONORA,
MEXICO 2021

Meals at Club Deportivo are very special events – an opportunity to enjoy good food and good company, while supporting the Club.

Beginning in November and running through April, there is a BREAKFAST every other Sunday morning and a DINNER on the alternating Saturday evenings.

These meals are made possible by Club Deportivo members who serve as the ORGANIZERS, SPONSORS, and VOLUNTEERS who help prepare and serve the meals.

Meal prices are comparable to those charged in local restaurants, and the money raised helps pay Club expenses and keeps our membership dues at a minimum.

Here's how you can be involved!

BE A SPONSOR

Sponsors make donations that partially pay for the food needed to prepare the meal and reduce the amount the Club must pay.

BREAKFASTS - \$200 USD*

- 1 sponsors @ \$200
- 2 sponsors @ \$100 (maximum – 2)

DINNERS - \$600 USD*

- 1 sponsors @ \$200
- 2 sponsors @ \$300
- 3 sponsors @ \$200
- 4 sponsors @ \$150 (maximum – 4)

*Price of sponsorship may vary. Check with Club Office for current prices.

BE AN ORGANIZER

Organizers plan the meals and prepare them, together with their chosen team of volunteers.

Organizers may choose from existing menus that have been used at the Club before, or they may come up with new and creative ideas of their own.

Many tools are available to help organizers. The Meals Director provides training in the kitchen, using menus and records from past meals to help in judging quantities and organizing the tasks.

The Club Manager and her assistant are on hand to help make things run smoothly.

Some organizers bring specialty ingredients for their special dishes; but in most cases, they make lists of the supplies needed, and the Club Manager purchases and stocks them in time for meal preparation.

BE A VOLUNTEER

Volunteers help in the preparation and serving of meals. This may involve chopping, peeling or prepping on the day of the meal or a day before. Volunteers also take orders (when necessary), cook, and deliver food to the tables.

It's fun.
It's easy.
It's important.

Take a look at the meals calendar on the bulletin board to see upcoming meals and sign up to become a Sponsor or Organizer!

For more information, contact the Meals Organizer or the Club Office.

An extra benefit: Organizers, Sponsors, and Volunteers eat free!

Activities!

INSIDE

OUTSIDE

First of all, I want to say thanks for supporting the Benefit Dinner, the Auction, and the Western Night, which all were successful!

And now we have a request from Cobach de Kino Viejo, in which they ask to use the Club on March 30 for the "Cambiando el chip" Forum that will serve to promote Science and Technology for female students. It's great to be able to offer our facilities for these important educational programs for Kino kids!

Future plans regarding Indoor Activities include:

a) Provide the Club facilities for luncheon meetings of the **Kino Ladies Club (KLK)** starting next November. KLK will pay for the cleaning and the Bartender, if necessary. This request was made by KLC president Jennifer Brown. Request approved.

b) Request to have other activities in the Club, such as **Pingpong** and **Billiards**, suggesting the use of the upstairs area. Request was made by Scott Bornstein and is pending approval.

c) On the first Saturday of November, we will have a **50's Rock & Roll dinner** and,

d) Rusty is planning a dinner for April 23.

We don't yet have details of these two last events, but stay tuned!

YOU CAN GET INVOLVED!

Do you have an idea for a fun indoor event, some kind of entertainment, or a theme for a Friday Social Hour? Maybe you've taken an exciting trip to some exotic place and would like to share your photos and experience with friends at the Club. I'm here to help you make it happen, and I'd love to have your help in making our Indoor Activities more fun and interesting this coming season. Give me a call!

— **Elena García**, *Indoor Director*
662-139-2966

Well, the Season is about to come to a close.

Many thanks to Kent Ogden for the very successful Outdoor Activity year.

Our last major event of the 2021-2022 Season was the **Putt Putt Tourney** superbly organized by Rosie and Butch Geier. The winners were Bill and Grace Chisholm who barely won by 1 stroke after 3 days of play. Hopefully they will be able to make it down next season to help make it another great event!

Upcoming events.....

One last **Goathead** in April, date yet to be determined.

I'm looking forward to a Great 2022-2023 Season. Lots of Pickle Ball, Golf, Bean Bag, Bocce, Putt Putt, and anything else that will generate interest.

Have a Happy Summer, Stay Well and we'll see you in the Fall!

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email, if you can send me any fishing news or pictures: lyncurt0@gmail.com

03/02/22 SAND DOLLAR tried trolling around Turner but saw no sign of Yellowtail. They then tried bottom fishing in deep water (350-500+ feet) to the south towards the Crossroads. They were successful making a catch of very nice Goldies with some true "lunkers/hawgs", as we called them bass fishing in Texas. GATORBAIT also bottom-fished in the Turner area for a mixed bag of Goldies, Rockies, and even an unidentified eel.

03/03/22 RIDGE RUNNER made a long trip through the channel between Tiburón and the mainland all of the way to Isla Patos. Not finding anything of interest fish-wise, they continued all of the way around Tiburón, completing the first successful circumnavigation of Tiburón, at least recently. Unfortunately, fishing was very poor, catching only

a few Goldies and Salmon (ocean whitefish variety). Reportedly, it was a nice boat ride. Fishing was apparently very slow for everybody that day, so none of the gory details are necessary.

03/05/22 Fishing took a turn for the better with GATOR BAIT catching limits of Goldies at Turner and SAND DOLLAR catching limits of the larger caliber of Goldies and near-limits of groupers (brown "Baqueta" variety?) in very deep water southwest on Turner towards "the Crossroads". "LA VALLE" fished the same deep waters for limits of decent grouper including "Snowy" or "Star Studded" Groupers and a couple of double hook-ups. CAPN' JACK also had a nice catch of Goldies, Rockies/Sandies and Salmon near the same area towards the "Cross-roads". The larger variety of bottom-fish were being caught very deep.

03/09/22 RIDGE RUNNER reported a good catch of Goldies and Grouper south of Turner in deeper water.

03/15/22 CAPN' JACK fished in 400' of water south of Turner for Goldies and a nice brown "Baqueta" or Cony Grouper.

03/16/22 CAPN' JACK went back to Turner to try deep but "currents were racing". They moved into shallower water around 200' deep and caught Goldies, Rockies, and a nice Pinto Bass (English)/ "Pinta" (SP). By the way, Pinta are my favorite fish at this point for catching and eating. Water temperatures were still cold and no sign of Yellowtail.

03/10/22 SAND DOLLAR bottom fished off of Turner for a catch of Goldies. Still no sign of Yellowtail anywhere.

03/18/22 SEA DANCER caught some Grouper and Goldies near Turner.

03//19/22 CAMIINO DEL MAR caught Goldies near Turner.

03//20/22 No boats fishing due to holiday crowds at ramp.

03/25-27/22 Hopefully good weather for a few days will produce some news which I will add more if I get the information in time. Time to walk Bailey, and it is snowing and raining outside here in KC.

3/27/22. SAND DOLLAR and CAP'N JACK sent pictures of nice Grouper and Cabrilla from deep water south of Turner.

PICKLEBALL MANIA!!!

A "shrunk in the wash" tennis court, a short net, a lightweight, elongated paddle, and yellow plastic balls with holes...

It begins early each morning with players weighing in via our WhatsApp chain on two questions: "Who's playing?" "What time?" At Club Deportivo, just outside the BBQ area, on any given morning, you'll see a whole line up of your friends & neighbors chasing those yellow plastic balls!

Kinoites understand that there is no age limit on fun... Almost inexplicably, pickleball has become one of America's, and our, fastest growing sports. It doesn't require as much running as tennis, it's gentler on the body, and there's not a headache or scrap that can't be relieved by a few zippy volleys!

Pickleball is an easy to learn mash-up of tennis, badminton, and ping pong. A little strategy, patience, and finesse usually win out over speed and brute strength. It is one of the fastest growing sports with over 4.2 million US players (average age is 52) and 35,000 courts around the country.

As we begin our summer travels, look for a court near you. Aim to be a strategic "DINKER," and we'll see you on the Kino court this fall.

—**Cathie Nall**, *Reporter at Large*

SUPPORT CLUB PICKLEBALL!!

We need more court space! It's been approved, and we already have nearly \$3,000 of the \$5,000 it will take to build it and improve what we have. Donate now to the Pickleball account at the Club! And we'll see you on the COURTS!

Weekly Schedule: Club Deportivo Weekly Schedule is published on the **Club Bulletin** every Sunday. This lists the Club Activities for the week. If you would like to **put an event on the Schedule**, it **MUST** be received before noon on Sunday for the following week. Anything on the monthly calendar published in this newsletter will automatically be on the Weekly Schedule. Send information to be included to bulletinclubdeportivo@gmail.com.
