The Prez Sez ...

The Holiday season has begun and in addition to the many activities & Christmas dinner planned for December, we have two additional special events:

Our **6th Annual Benefit Dinner is Saturday, December 2, 2017**. A huge thank you to our Benefit Dinner chair, Carolyn Kinsman and her committee: Sandy Burnam, Cathie Nall, Anne Stern, Shauna Smith, Joan Fairweather and Ronna Mann, these gals have worked very hard to make our one and only fund raiser for the season a huge success.

December 8 is the big Kino parade, usually starts about 6 p.m. in Old Kino in front of the Secondary School. Club members will be participating. Come join the festivities.

At the November Board Meeting a slate of nominees was approved. The **slate for the upcoming election** in February is: **Laurel Hakim, Second Vice President; Maggy Becker, Secretary; and 3 Directors: Bill Chisholm, Sandra Johnston and Anne DeFrance**. Two positions are yet to be filled: **President and Meals Director**(1 year term). The nominees are well qualified for these positions. Those serving the second year of their two-year terms, and therefore not up for reelection are: Tom Vala, First Vice-President, Joan Fairweather, treasurer; and Directors: Caro Nava and John Nicola.

Rejoice during these holidays!

A major key to Kino happiness is the completion and full functioning of Rescue One's access to the Midriff Islands, to insure safety to all boaters who enjoy this wonderful region.

Again, thank you Butch and Esteban.

I will be back in Kino in early January to catch up with Rescue One activities, concerns, opportunities and needs of our community. Dr. Dale Kemmerer continues as point man for First Responders, in the event that specific needs or medical donations arise.

Tom Vala "turbo" 1st VP / Rescue One

RESCUE ONE:

- Provides continuous tracking of boat trips in the Sea of Cortez and land vehicle trips in the nearby Sonoran Desert.
- Initiates searches and/or rescues when needed.
- Maintains a coordination center for any emergency: death, illness, accidents, police assistance, etc.
- Serves as a focal point for radio or telephone communication throughout the community.

In the Kitchen

by
Sandy Dalton, Interim Meals
Director

With Pat Friesen, Kitchen Coordinator and
Sandie Burnam, Sponsor and Organizer Coordinator

This past month has really flown by with many, many beautiful days here on the beaches of the Sea!

And along with time flying by, a lot of us enjoyed many good meals prepared, served and sponsored by members of our Club! From Wisconsin Brats to Mexican Fajitas, and Pancakes to Biscuits so light they really did just about fly, we enjoyed it all, ALL over 400 meals in a month!!! This doesn't count the extras we served with leftovers at Trivia and Bingo!

And friends, there is even more to come!

What's ahead!!!!

- **Dec 2nd, The Club's Benefit Dinner.**
Organized by Bill & Anne Stern
This isn't the Club's Kitchen event but it sure makes us "smell" good with their cookies and homemade Bread!
Thanks, Anne & Marg!!!
- **Dec 10th The Waffle, Sausage, & Fruit Breakfast,**
Organized by The Dos Palmas Gang!
Sponsored by Barb & Les Pope and
Bob & Kay Binckes
- **December 16th The Christmas Dinner,**
Organized by Sheila & Tavi Kristjan
Sponsored by Darolyn & Erwin Perry
Sandie & Robert Burnam
Gayle & Mike Lenihan
Rogene & Fred Mahaffery
With entertainment!!
- **December 31st The New Year's Eve Party**
Club opens & music starts at 7 p.m.

With Music by Ray and the Rejects.

And in between all of these functions of food and merriment, we will have snacks for Bingo and Trivia!
YUM! YUM!

We still have a few opportunities for you to volunteer your time and energy as a meal crew member to learn the ropes, or for your money, as a meal sponsor. If any of these things interest you, PLEASE, check out the Meals' Listing Sheet at the Club entrance, or see one of us, Sandy, Sandie or Pat, or a staff member that can contact us for you!

With all of the many meals the Club Kitchen serves, one of the most important parts involves advertising! If we don't get the word out to you, either on the radio or by the flyers posted in various popular locations, we'd have a very difficult time getting as many of you to join us at our tables! So **MUCHAS MUCHAS GRACIAS, to the 2 guys we consider part of our Kitchen Crew;** Harold Becker, the announcer who makes the meals sound so good on the radio, and Bill Berg, who makes the meals look temptingly delicious on our flyers!!! You two are the Best! (Just keep up the good work!!!)

And finally, watch for the Southwest, and the Oinks, the flat cakes, and the old English meeting up in Kino in January!

**I hope I've tempted you to watch for the
January, 2018 menu!!**

Bon appetite! As Julia use to say!!!

Sandy Dalton, Interim Meals Director

From the Communications Director

The board has instituted a new trial feature for Club Deportivo; The **Weekly Schedule of Events** for members of our club. You have probably been getting this weekly email for about a month. We would like to know if it is useful to you, or if it just clutters up your INBOX. **Please give some feedback** to a board member.

Outdoor Activities

Bill Chisholm –
Outside Director

Well the weather has been great for outdoor activities and we could not ask for more. Well – we could ask but it would be a waste of time. **Enjoy what you have and be thankful** for all that you are given (kinda appropriate just after Thanksgiving).

No new updates on the **shooting range** until Randy comes back and has some time to focus on the range.

The **drop in pickleball** has been active on Wednesdays at 9:30 now that the apron has been added and the sand levelled around the perimeter to avoid the dreaded edge drop. If interest continues to grow, we may need to think about a **tournament in the new year**. Just a reminder that you can play anytime the Club is open if you are willing to set up and take down the net. A side note – it must be easy because I can do it.

There has been no movement on the **Pickle controversy**. Both sides are unwilling to budge. Rumor has it that a settlement offer was made but was turned down. Unfortunately, we may be tied up in the courts for some time (get it?).

There are still some Kino T-shirts available for purchase. They come in three colors (red, yellow and light blue) in a variety of sizes from 2XL down to youth medium for a

modest price of 200 pesos. Christmas is getting closer so don't delay – get them while supplies last. Just go down to the club and ask Betty or Fili.

The first **Goathead** of the year was held on November 16th (we shuffled the date just to see if you were paying attention). There were **36 players**. Angel Gonzales, Syed Hasan, Paul Johnston & Diane Ackerman took **third place** with **second place** won by Robert Burnham, Marg Roebuck, Sam Green & Francine Bailey. Closest to the pin was Darlene Lyons & Robert Burnham. **And the WINNERS were** ++++++Bill Stern, Fred Mahaffey, Jensine Moxley & Bill Chisholm.

Helping with the tournament were Melva Shaw and Louise Thompson on the **refreshment vehicle** (thanks Jerry for the loan of the vehicle). Char Webb & Veda Tucker minded the third green for **closest to the pin**. And of course we could not do the tournament without the valuable effort put forth by Jerry Menefee, Johnny (and Mari) Evans and Bill Stern (they do most of the work). Don't forget to thank the **palapa bartender** but I leave that glory to Caro.

As I write this, the **Bean Bag Tornado** is imminent and will start November 29th with the finale on December 1st. This year's coordinators (Marg and Terry Roebuck) have assembled a formidable organizing committee of Sheila Kristjan, Don & Jo-Anne White and Paul & Sandra Johnston. Rumor has it that they will be bringing in famous guest officials. The brackets and times were posted at the club on Monday the 27th. **I hope you didn't miss this event** as this year we have 22 teams, 3 meals, multiple refreshments cash prizes and (don't tell anyone) the opportunity for a little controversy.

Are you having fun yet? – I AM.

Bill

Kino Ladies Klub (KLK) Scholarship Program

This amazing program is currently paying for **27 high school students in Kino Viejo**. We are now accepting donations for the next semester. Because the peso to US dollar exchange rate keeps changing, the committee has reduced the price of each scholarship that is paid in US funds. **The cost to support one student for one semester will be \$100.00 US this year**, down from \$120.00 US. This year the price for each student for the spring semester has remained at 1500 pesos.

If you are interested in paying for a specific student, we will find one for you or you can get the name of a student to us that you want to support. All students must fill out an application and be accepted by

the committee by meeting **two requirements**.

- **A GPA of 80** or better and
- **Donate 3 hours each week** at one of the two elementary schools. Once a student is accepted into the program they will continue until graduation or until they fail to meet one or both of the requirements.

This program is run completely on donations, we hope to be able to add new students to this program and that number will be determined by the amount of donations received. We look forward to hearing from you. **Any questions can be answered by any of the following committee members.**

Diane Ackerman, Chair (242-1374); Judy Hazen, Treasurer (242-0618); Mari Evans (242-0519), Sparkie MacVeigh (242-0328); Jacqueline Sinnett (242-0562); Norma Veazey (242-0236)

Fishing

by Matt Curtis,
Biologist

Reporting Period: October 22, to November 20, 2017

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com If you can send reports by the 24th of the month, they have a better chance of being added in for the next report.

10/26 EL PATO fished the south end of Turner and Dead Man for easy limits of yellowtail and bonito with larger yellowtail to 18 pounds. The reef area was reported as rough water and bait schools were smaller than earlier on.

10/28 DOUBLE TROUBLE fished Turner and Dead Man for limits of yellowtail and bonito with Sierra and barracuda thrown in. The Dead Man area was really busy with fishermen, divers and even some nets.

10/30 EL SUENO caught limits of yellowtail at Turner. YT quality remains good.

11/02 JAYHAWKER had limits of yellowtail and bonito at Turner on the troll.

11/03 NIGHTWINGS fished Dead Man for limits of yellowtail, half trolling and half jigging. Also a 25# Gulf Grouper (Baya) in 65 feet of water on a jig.

11/04 SAND DOLLAR came in with limits of yellowtail and bonito at Turner.

11/06 GATOR BAIT and **PERRYDIZE** at Turner for

limits of (you guessed it) yellowtail and bonito.

11/10 GATOR BAIT caught limits of yellowtail and bonito by 9:30 at Turner and Dead Man.

JAYHAWKER also fished the same area for the same results.

HILLBILLY

YACHT caught limits of yellowtail and bonito trolling, releasing a number of babies.

11/11 Ten boats in the Turner area, including **GATOR BAIT, EL SUENO, HILLBILLY YACHT, PERRYDIZE, EL PATO,** and **NIGHTWINGS.** Most

caught limits of yellowtail but few bonito appeared. Most were caught trolling at the south end and near the Pyramids in 50 to 110 feet of water. Water temperatures from 70 to 73.5 degrees F. **HILLBILLY YACHT** went to Dead Man for 12 yellowtail plus a couple of “nice spotted bass” near the rocks.

11/13 HILLBILLY YACHT caught limits of yellowtail plus six bonito at Turner.

11/15 Fishing Turner still, **EL PATO** caught 7 yellowtail and 2 bonito, **ESCAPE** had a good day on yellowtail, and **GATOR BAIT** had limits of yellowtail and 2 bonito. (Starting to become scarce).

11/16 PERRYDIZE caught limits of yellowtail trolling at the south end of Turner and down near the pyramids, as did **NIGHTWINGS**, but we caught more jigging than trolling on the break along the east side of the reef in shallower water. **ROSIE** went to Esteban for 14 bonito and a “nice catch of sardinera” in shallow water. They reported 68 degree water there.

11/17 ESCAPE, JAYHAWKER, and PERRYDIZE all fished Turner but not as many large yellowtail, more small caliber YT, and no bonito.

Many people have asked about the dorado fishing in the summer but they have remained scarce and mostly small. Here is a link to a report on

the fishery in the Sea of Cortez that posted on the San Carlos forum that might be of interest to fishermen:

<https://www.bdoutdoors.com/baja-dorado-downfall/>

Also picture of typical yellowtail this Fall at Turner and a nice eating size Baya (Gulf grouper); More Photos are encouraged!
