

Reporting Period: December 25 to January 25, 2019

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com If you can send reports by the 24th of the month, they have a better chance of being added in for the next report. Slow fishing days with few reports, although some have gone out. Either really too slow to report or keeping "secrets" – ha ha. In general, mostly bottom fishing occurring with any success.

01/05 ROSIE boat went to Esteban for two "browns" (sardinera) on a slow day.

01/10 ROSIE boat to Queen's Rock for eight browns, two yellowtail, then four goldies and one smallish grouper bottom fishing.

01/11 NIGHTWINGS and ESCAPE crews to Christmas Tree shore fishing but only one small halibut and numerous goldies caught. Paul's cat was the only winner, but the weather was perfect. PERRYDIZE fished Turner for bottom fish.

01/13 SAND DOLLAR at Turner for for a yellowtail and goldies and rockies. HILL BILLY YACHT to Lorenzo bottom fishing with "no there there". Surface water at 59 degrees. Then to Esteban trolling in close for six brown fish.

01/15 PERRYDIZE and SAND DOLLAR to Turner for bottom fish. HILL BILLY YACHT north of Willard for lots of goldies with some four to five pounds and limits of grouper/baquetas.

01/18/19 "The south crew", (AKA GATOR BAIT) went out from Melaque/Barre Navidad for 4-5 dorado from 15 to 20 pounds and a 209 pound marlin.
