VACANT

“Rescue One”

Welcome to the start of Spring in Kino Bay, warm winds & cool waters. Most folks mark the start of Spring here with the coming of Semana Santa and the arrival of many tourist families. The annual rapid influx of vacationers may many times bring shortages of fuel, water, groceries and... patience! Please prepare ahead of time for this as sometimes the ATM'S, gas stations and stores can't keep up with demand. Also, be prepared for extreme traffic delays in the afternoon and evenings by planning alternative routes and keeping your fuel tank topped off. Be proactive in ordering or obtaining propane for your homes well ahead of time as many times delivery trucks can't or won't attempt to negotiate the traffic even once the police switch the boulevard to one-way traffic patterns. Simply being proactive, planning, having patience and maybe some ear plugs will make your stay in Kino during Easter holidays an enlightening experience. Don't forget to get some photos for your friends back home!

Speaking of the holidays! As usual Rescue One is in need of volunteers during this time to man the radio, legally operate your ATV on the beach to transport Red Cross personnel and Boat Captains to patrol the beaches and provide a platform for the Rescue Divers from Hermosillo Fire Department to operate from. Last year alone they were directly credited with saving at least three lives. If you would like to participate as a day time volunteer Radio Operator (March 25 / 26 or 27, 2016) or utilize your boat for patrols (March 24 / 25 or 26, 2016), please contact Mark Tracy @ 242-0548 (Rusty Nail on Ch. 24). If you would like to volunteer as an ATV patrol operator (March 24 / 25 or 26, 2016) please contact the Beach Patrol Coordinator Jim Bailey @ 242-1348 (Buffalo Hunter on Ch. 24)

As always we are looking for volunteers to assist Rescue 1 in a variety of ways throughout the season and year round if available. If you want more information or would like to help **Rescue 1** or the **Medical First Responders** please give me a call (242-0548) or give a note with your contact information to Fili or Betty. We will provide the

Unfortunately, Phil Hahn, voted in as Outdoor Activities Director has had to resign his position for health reasons; so, at this writing, **Club Deportivo is seeking an Outdoor Director (2 year term)**. This position involves attending Board meetings and planning outdoor activities, mainly Goathead Golf

Tournaments, the Lago Seco Golf tournament & any additional outdoor activities he/she would like to add to the calendar. The Putt-Putt and Bocce Tournaments are organized & run by the winners of the previous year. **Johnny and Mari Evans** have volunteered to organize all of the **Outdoor Activities MEALS** for the next two (2) years. If you would like to volunteer for this position, please talk with a Board member.

This time of year, through the end of April, **our Club is bursting at the seams with activities**, sold-out meals, money raisers, special activities, etc. it takes all of us working together to make our club successful. **It takes paying dues in a timely manner, volunteering for activities, supporting meals, joining committees & getting involved to keep Club Deportivo running smoothly.**

Also, a reminder that you, as a member, are **allowed to bring a guest only twice**; guests include girlfriends, boyfriends, spouses (who are not members), friends & family members – all we ask is that you sign-in your guest(s). To make my job easier and to keep from embarrassing you, please make sure you abide by the rules and get a membership for your ongoing guest. That being said, I would like to encourage each member to make newcomers to Kino aware of our club by bringing them as guests to one of our functions or giving them a tour of our club. **Please help welcome the new and temporary members or those members you don't know, by introducing yourself.** A friendly gesture is greatly appreciated. Thank you for making Club Deportivo and the Kino community the friendliest

equipment & training to help you help your community. We are always in need of Volunteer Radio operators for Mexican holidays. This will allow our busy staff members time off with family and friends!

Indoor Activities

Indoor Activities Director, Laurel Hakim

The most capable and enthusiastic Sandie Burnam has passed on to me her great activities, new ideas and events have helped raise funds for the Club and provided very entertaining social hours! And has offered to stay involved!!! I can not report on the "Queens of Kino" fashion show at this time, but do know this event has always been an outrageous success in the past!

March will be a short month due to Easter. But do mark your calendar for Western Night, March 11th. Be assured that the successes of previous activities will carry on-Trivia, Bingo, Western Night and Halloween to name a few-plus other new and old fun things during Social Hour!

I look forward to continuing with the traditional events and will always be interested in any of your new ideas and suggestions for indoor happenings! See you at the Club. Laurel

Outdoor Activities

Currently in need of a Director

February was full of outdoor activities highlighted by the Annual Putt-Putt Tournament hosted by last years 1st place finishers, Butch and Rosier Geier. Our stalwart golfers were not fazed by the El Niño wind that buffeted every hole except #9! It was our first tournament on the new carpet which produced as many ohhh's and ahhhhh's as the wind did. Every hole played differently, but everyone was pleased with the new carpet and look forward to many more years of wonderful tournaments... next year's to be spearheaded by Sharon & Steve Chapman. The results are posted in a separate post in this newsletter!

March roars in with the Lago Seco golf tournament on the 3rd. Sign up sheets are posted at the Kino Desert Golf Course as well as in the club on the golf board near the bar. Lunch will be provided by Club Deportivo, hamburgers & chips. Come on out for a delicious lunch and watch the fun, everyone welcome!

PLEASE CONSIDER VOLUNTEERING TO SUPPORT YOUR CLUB BY TAKING ON THE OUTDOOR ACTIVITIES DIRECTOR POSITION... THERE ARE PLENTY OF HANDS TO HELP YOU OUT!

Fishing Report

Matt Curtis

Reporting Period: January 25 to February 25, 2016

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com

01/27-28 The **KBRV crew** that had journeyed south to the Manzanillo area did get a nice marlin (blue?) fishing out from Barre de Navidad. The billfish wore out four fishermen before giving up the ghost and weighed 286 pounds.

01/30 **JAYHAWKER** and **TZIGINE** fished around Deadman and the Turner area, catching some decent yellowtail while trolling (mainly around Deadman). Efforts to jig and bottom fish produced some results but it was pretty rough. **RUNNING REBEL** on **JAYHAWKER** hooked up something big while trolling and they spent quite a time following up on it, wondering what it might be. Eventually they were able to get a large, estimated 65-70 pound tortuga up and were very lucky and skillful enough to release it unharmed and recover the lure. Bien hecho!

02/12 **DAKOTA** and **JAYHAWKER** returned to Turner and Deadman but were totally skunked by the yellowtail. They were successful catching some bottom fish.

PERRYDIZE fished at Willard and Esteban and had a decent catch of bottom fish and but sign of yellowtail. An anonymous group went to Christmas Tree to shore fish for lenguado (halibut), but only one was landed successfully, but it was a first for Tina Floyd on her third cast. It was really a slow day. **RED ROVER** went to Willard on the 10th, 11th and 12th and had good fishing for goldies but no sign of yellowtail. One larger goldie had a half digested bird in its' mouth, but it did not offer any explanation of how it got there.

02/17 **JAYHAWKER** and **PONY EXPRESS** went to 14 mile reef and caught limits of rockies and a few triggerfish. **DAKOTA** tried 14 and went on to Turner and caught nice goldies and rockies also.

SAND DOLLAR fished Deadman and Turner for 10 yellowtail and limits of bottom fish. **OVERCAST** got one yellowtail in addition to bottom fish and noted the murkiness of the water, probably a result of the past windy period.

02/18 Two calm days in a row brought out lots of fishermen. **SEABASS, ROCK AND REEL**, and **NIGHTTINGS** fished around Deadman and Turner where bottom fish were on the menu, but no sign of yellowtail. There were two fin whales surfacing and feeding on what appeared to be an extensive, deep school of bait, probably krill or some sort of small shrimp. Some of the bottom fish were regurgitating masses of some sort of pale crustacean for the past two days. Fin whales are "baleen" whales which use their huge folds of bristly teeth like sieves to filter food from the water they engulf. They are also the second largest of whale species after the blue whale.

The water was definitely "murky" with lots of pieces of sea weed and algae mixed in. Water temperatures varied from 60.3 to 62.3 degrees Fahrenheit. We also tried the Pyramids and Colorado RIsco but the fish were scare and not very hungry. **Los Compadres** fish in 400 feet of water near Turner for large bottom fish and one grouper (around 15-20 pounds).

RED ROVER fished San Pedro Matir for 3 gulf grouper, 10 to 15 pounds in 350 feet of water, some rosy conies and a few sardineras. He reported normal water color and clarity there. **ROSIE** went to Esteban and caught limits of big yellowtail off the northwest corner. **YO LO** also was there and caught eight yellowtail and a 74 pound black sea bass!

02/19 Another beautiful calm day. **DAKOTA** went to the Turner area and got near-limits of nice yellowtail around Deadman. He reports fish were thick on the surface. **RED ROVER** fished Willard for a good catch of goldies.

02/20 **ROSIE** boat returned to Esteban for 13 nice YT trolling X-Raps on the west side.

FROM THE BAR..

Carolina Nava, Director

The month of February started pretty busy with a few days of the Putt Putt tourney, we had a total of four Friday night Social Hours including the Putt Putt awards and the fun-filled "Queens of Kino" night, four Bingo Sessions and a couple of Trivia nights, we also served two Saturday dinners and the annual Golf dinner.

I sincerely appreciate the work that **Mr. Bob Binckes** did on the first couple of weeks of this month and during his whole term as a Bar Director, he surely will be missed.

Thanks to all the members that have been showing your support and will help us keep the bar running at its finest, also thanks to our volunteer bartenders of the month:

Len Colbert, Bob Binckes, Harold Becker, Tavi Kristjan, Randy Bender, Teddi & John Beaupré, Craig Vernon, Craig Gresham and my wonderful husband Kevin Kronberg (the crazy one).

Special thanks go for Penny Lucas and Francine Bailey for their help and support as I take over the Bar duties.

Please feel free to contact me, Caro Nava, at 6621110651 if you have any concern, comment or suggestion for the bar.

As I get more involved and knowledgeable about this position I will be posting sign-up sheets and monthly schedules at the Club, remember, as a volunteer, you get a free drink and a complimentary meal at the event at which they served.

Thanks to everyone who participated, to all those who acted as scorekeepers for each of our teams in both the early and late sessions each of the 3 days. Thank you to those who came to watch and cheer on the players, or in some instances....maybe console just a little! We couldn't manage without our bartenders and our food vendors....the food was wonderful and those warm drinks helped keep the chill of the wind at bay!

As always, the tournament next year will be under the care of the winners this year.... congratulations Steve and Sharon.... (just in case you forgot...they will also be responsible for the Bocce tourney as well!!!)

**FOR THIS
IMPORTANT
MESSAGE....**

We have picked the date of **APRIL 7th** for the drawing of the side by side. We still have many tickets available.

ALL the proceeds raised by the ticket sales will go to the club general funds and to help pay for the bocce ball and miniature golf course. On the night of the drawing we will be having a get together at the club with entertainment, food and the bar will also be open. You do have to purchase a side by side raffle ticket to attend but you do not be present to win. Please help support your club and buy tickets.

In the past several years 100% of the money raised at the charity dinner event has been distributed to several different organizations in Old Kino. This year we will be giving 20% of the event to the club general funds. Once again we will be auctioning donated items, so please, if you have any items to donate to the auction, contact Jennifer Brown. There are still many tickets available.

As a reminder, there is an offer on the board to buy the side by side from anyone who wins the drawing if you do not need or want to keep the unit. We need your support in purchasing the remaining tickets to make this event a success. If you have a unit and you win the new one, you have a ready to go buyer.... how can you miss with an offer like that.???

Thank you
Brent Henderson 2nd V.P.
