

Reporting Period: January 25 to February 22, 2021.

Note: Missing dates normally mean that the wind contributed to boats not going out to fish. I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com If you can send reports by the 23rd of the month, they have a better chance of being added in for the next report.

In general, it is still a slow period for most fisherpersons, with cold water temperatures down to 58 degrees and many breezy days. Yellowtail became very scarce around the midriff, but a few "toads" were caught, mainly around Isla Pedro Martir. Bottom fishing seemed to be the only sure bet, with some decent Goldies and "Rockies" caught. Many days there were boats out fishing but so little was caught that no one felt like sending in reports. Flounder continued to be scarce to nonexistent. No fresh reports from San Carlos either.

02/03/2021 SAND DOLLAR caught limits of Goldies at Turner. DAKOTA went to Pedro Martir and did well on Yellowtail. NIGHTWINGS made a trip to fish the beach around Santa Rosa and Christmas Tree, but nothing was biting and even clams were keeping a low profile.

02/07 GATORBAIT successfully fished Pedro Martir for 16 nice yellowtail and some Goldies.

02/10 PERRYDIZE went to Turner for a Yellowtail and bottom fish. SAND DOLLAR and GATORBAIT returned to Pedro and caught some Goldies, but the huge swells really made fishing nearly impossible. NIGHTWINGS tried trolling around birds at Dead Man and jigging for Yellowtail but only ended up catching some nice Rockies. The south end of

WE'RE STILL OUTSIDE!

You could say that things have been fairly slow for a while now. The bar is bringing in a little, but we look forward to being able to open up and hold more activities so you have more opportunities to enjoy those drinks!

You may have heard that all our bartenders now need to be under 60 years of age. That lets most of our members off the hook! Mike fits the bill, and he's a good bartender, too, so we are lucky for that! But if you do qualify, consider doing some volunteer time. It's fun and easy.

Come on by and have a drink!

Turner was way too rough to fish, but Colorado Risco produced a few bottom fish.

2/12 SAND DOLLAR caught one very nice Yellowtail trolling at Turner and a few Goldies.

2/15 EL SUENO tried the Turner area and caught some bottom fish. GATORBAIT caught one Yellowtail and bottom fish at Turner.

2/16 No new reports over the week.
