

Fishing Report

Matt Curtis, Director

02/26 **DAKOTA** fished the Turner area for goldies and one yellowtail. **ESCAPE** went over to San Esteban for goldies and yellowtail.

02/27 **DAKOTA** returned to Turner for three yellowtail and a few goldies. **ROSIE** boat went to San Esteban for limits of nice yellowtail trolling X-Raps. **RED ROVER** fished San Pedro Matir in 69 degree water and caught nice bottom fish and got up close to three sailfish. bob reported pretty clear water in the area.

02/28 **ROSIE** boat was at Esteban for limits of yellowtail to 18 pounds and two sardinera.

PERRYDIZE caught three yellowtail and goldies there also.

02/29 **DAKOTA** fished Esteban for nice yellowtail, limits of goldies and sardinera (brownies).

COPYCABANA went down to Pedro Matir for a great catch of grouper and sardinera.

ESCAPE caught limits of big goldies at Punta Willard and saw a school of orcas "escorting" a large whale out of a bay 2-3 miles south of Willard. **HILL BILLY YACHT** fished Esteban for 10 yellowtail averaging 15 pounds. **RED ROVER** caught big goldies and three grouper from 10 to 25 pounds at San Pedro. **PERRYDIZE** was at Esteban for two yellowtail of 12 and 14 pounds, good goldies. and sardinera (brownies). **ESCAPE** had a great day on grouper and sardinera fishing in the rocks at Pedro Matir.

03/02 **DAKOTA** went to Esteban on smooth seas for two yellowtail, 8 sheephead (one 10#, rest 6-8#), and limits of goldies. They fished in 200 to 280 feet on the west side.

03/03 **ROSIE** fished the northwest corner of San Esteban for 13 yellowtail from 15 to 18 pounds in 63 degree water. **JAYHAWKER** fished the Turner area and caught 25 bottom fish, a yellowtail and a 20 pound white sea bass near

Deadman. Dr. Sally Bell caught a beautiful 20 pound pinto bass on **SEA BASS** at Deadman!

03/05 **DAKOTA** tried Turner and caught 15 yellowtail, mostly at Deadman plus a couple of sierra), and three from Esteban (plus three sheephead, triggerfish and goldies). The YT were from 12 to 15 pounds.

03/13 **JAYHAWKER** fished the Turner area and picked up limits of goldies up to 7.7 pounds, four yellowtail, and a 24.6 pound white sea bass. **EL SUENO** caught eight yellowtail and bottom fish at Turner.

03/15 **DAKOTA** and **SAND DOLLAR** went to Turner for 12 yellowtail and goldies and four yellowtail (lost more), and a sierra, respectively.

03/18 Foggy days at Turner. **JAYHAWKER** fished the Turner area for 18 yellowtail and a couple of sierra. **WET WILLY** made the run to San Pedro Matir and caught sardinere and goldies but the yellowtail were reported to be scarce. A second hand report from **NORTHERNER** gave a similar

from Pedro. **SAND DOLLAR** also trolled the south end of Turner for 4 yellowtail, two sierra and bottom fish. There was a rough tidal surge over the reef but the east side was producing in the am. Bonita, silver, green mackerel, and purple were the best colors.

3/19 Carl and I Overcast caught fish on Sun. I got a 42.5 lb. white and Carl got a 48 Lb. white. **RED ROVER** went to San Pedro and caught grouper and goldies.

3/21 **SAND DOLLAR** went to Turner and caught yellowtail and limits of goldies.
