Dear Raul,

It is with great pleasure, I write to you, on behalf of Club Deportivo Bahia Kino, concerning our club emblem. This letter is an attempt to convey our sincere appreciation for your tireless efforts and your superb success at developing the Club Deportivo Bahia Kino, club emblem. We feel that your ability to incorporate the Patronatos design within your own, is of important significance in our efforts to unite this community in brotherhood and friendship.

How difficult it is to convey to a person how much his work is appreciated! So, I find it difficult to write enough words to tell you, thank you. Thank you for your many many hours of work, on this most successful project. If all the people we deal with are as creative and tireless as you, our club will truly be an organization of great importance and this community will continue to grow to the height of success that it truly deserves.

Very sincerely yours

Eldon Heaston
President
