We have had a great season at the Club so far, dinners, breakfasts, games and other activities have resumed and have been run successfully, thanks a lot to all volunteers who made things happen.

I know that I always mentioned how grateful I am for the volunteers who help to keep this Club working, and I really meant it! I think that is something that we should always have in mind, this Club is made of many volunteer efforts and those deserve to be recognized.

There are a lot of things happening at the same time, this due to those who donate their time & energy that we still have a Club to enjoy for now almost 45 years... Next month we will have elections, and I want to encourage all members to think about being part of the new board, maybe it is not an easy task, but for sure you will make the difference and that it will give you tons of satisfactions, this Club is more than just a social place, for some of us is almost a second home, this Club has a big positive impact in the Kino community and helps a lot of people. Please help us to keep your Club alive.

So, when you return from the Holidays, please remember to stop by the office and pay your 2024 DUES, so the fun doesn't stop, remember that your payment helps to make the fun things happen!

And last but not least, I want to remind you of all the merchandise that we have available for sale at the Club Office, Club – R1 T-shirts for \$200, tumblers \$400, coffee cups \$100 and beer carriers \$80, all of them with our Club & R1 logo.

Our board & officers are working hard to have plenty of fun activities for you in the next few months.

Please check the calendar in our board and club bulletin email for news.

And just like that another year has passed.

Overall we have had a great start to the new season 23' 24'. We had a early dinner in October with great attendance. Then on to the indoor activities, weight and stretch, yoga, line dancing, bingo, trivia, and Loteria. A huge thank you to all the members who organize and run these programs for the members of Club Deportivo.

Please remember that nothing happens in your Club without your participation, and involvement in running these programs. Everyone that is involved in putting these events on do their utmost best to make it a successful event. Every now and then an event may not turn out as expected, but that does not mean that the people working on the event were not doing their absolute best.

Please remember that no matter how hard we try sometimes the outcome is not what we expected.

Please be patient with us, we will learn from our mistakes, and do better in the future.

Nancy and I wish everyone a Happy and Joyous New Year

Ron

Thank you, Nominating Committee

I would like to wish everyone Happy Holidays.

This fall has been a fairly busy boating, fishing and recreation time, but Rescue One can report there weren't any emergency or distress calls throughout the last few months. Alejandra has been doing a great job taking on some of the Rescue One radio operator responsibilities.

Rescue One radio operates on channel 26, beginning service each day at 7:00 a.m. and is on the air until everyone that checked out has returned. Please contact Rescue One on channel 26 when you launch and when you return. If you launch before 7:00 a.m., please remember to contact them after they begin service. Please use other channels for boat to boat communications. You can also use Rescue One radio service to check out and back in when you are going off road, back road, trail hiking or exploring.

There are many local panga fishermen using floating markers for their pots and nets. Float markers can be made of almost anything and can be any size, shape, color, even clear, so always keep a watch.

Rescue One is in need of your help. We need first responders. If you are interested in helping when first aid or other assistance is needed, contact Randy 907-978-3019 or contact the Club Deportivo office for information. We have considered having a first aid class for anyone interested. We also need to find people who might be able and willing to fill in and operate the radio when the staff is unable.

Here's to a safe New Year!

Hope everyone had a wonderful Holiday season wherever you landed.

Our Meals in December have been well attended

The BBQ Pork Chop dinner organized by Mark Gagnier and Marla Anderson hosted a great meal once again to a sellout crowd of 120. Lots of compliments from the crowd on this well prepared and served meal. Members enjoyed dancing to the local Mariachi band Chayo and Thomas.

Sponsors were Jim Rainey & Ann Dickson, Bud & Jennell Stephenson, Diane Ackerman, Blake & Ruth Vernon

On Dec 10 Jim & Lauren Wilson first time organizers did what I heard was a marvelous job with Jim's Famous Brandy Pancakes, crisp bacon, fruit cup, Juice and coffee to a morning crowd of around 50 people. Word is the plates were licked clean and that the Wilson are looking forward to next year.

Sponsors included Carol Kinsman & Perry Wilkes, Craig & Mugs Vernon.

Saturday Dec 16th, The Christmas dinner was extremely well attended. It was a very ambitious project to try to fix prime rib for so many people. There were some problems, perhaps due to the large crowd and inexperience. We will work to see that it doesn't happen again.

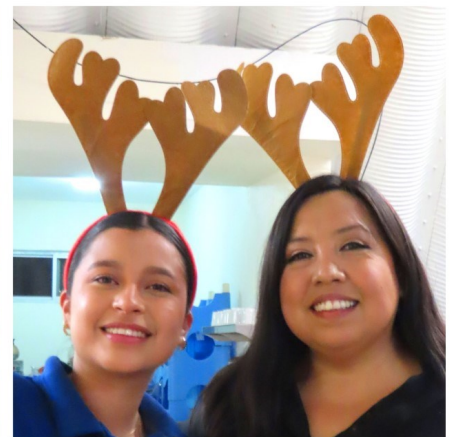

Organizers for the fun-filled evening were: Jose Estabon & Mariana Ocha .

Sponsors included Gayle Lenihan, Jim & Francine Baileys, Joan & Maurice Fairweather, Harold & Maggie Becker.

Entertainment Sponsors were Craig and Mugs Vernon, Tom & Kaye Vanhee, Jose De La Re & Ichy Navarro.

Jorge Trewartha provided some great music. A fun evening of dancing followed the dinner.

FISHING REPORT DECEMBER 2023

Reporting Period: November 25, 2023 to December 25, 2023.

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email, if you can send me any fishing news or pictures: lyncurt0@gmail.com

NOTE: This will be brief and general since NIGHTWINGS has been out of commission and few reports have been made due to windy weather. In general trolling for Yellowtail and Bonito has been really successful most days in the Turner area. I have been "up north" for a couple of weeks also.

11/26/2023 MONTANA KIDDS fished in the bay from Cerro Prieto towards the ramp for lots of Rockies, triggers and one halibut. They also reported seeing a diver spear a nice Halibut near the old "south ramp". A Mexican charter fished Dead Man, trolling for limits of nice Yellowtail and some Bonito. NIGHTWINGS managed to land three Cortez Halibut to 3 kilos,

11/27/2023 EL SUENO trolled for limits of big Yellowtail and some Bonito. SAND DOLLAR tried Dead Man, but not much there, but found limits of Yellowtail and Bonito at Turner. All on the troll.

11/29/2023 HILL BILLY YACHT caught limits of Yellowtail and Bonito in the Turner area.

12/01/2023 KNIGHT FISHER and other Mexican boats were at Turner catching limits of Yellowtail. NIGHTWINGS fished from the beach at Red Rock for four decent Halibut to over 3 kilos. So far the halibut have been biting better than last year but require a lot of effort casting.

12/06/2023 EL SUENO CAUGHT caught limits of Yellowtail Bonito near Turner.

12/12/2023 EL SUENO and SAND DOLLAR got limits of Yellowtail and Bonito at Turner.

12/13/2023 EL PATO was back at Turner for limits of ..., you guessed it, Yellowtail and nice Bonito.

12/20/2023 EL PATO had great Yellowtail fishing at Turner. "I can't remember a year here in Kino that has been this good for this long".

Kino Ladies Klub (KLK) Scholarship Program

As of 1/1/2024 this program is supporting 29 students; 9 Seniors, 10 Juniors and 10 Sophomores. As the result of a very generous donation of \$1,800 (US) by Kino Ladies Klub (KLK), we will be adding additional students to the program for the school year 2024/25.

This program is supported completely by donations. The cost for one student for one semester is \$100 (US) or peso equivalent, that is a total of \$600 (US) for the 3 years of high school. Once a student is offered a scholarship, they are guaranteed a free education for 3 years. All students are required to maintain a grade point average (GPA) of 80%, or greater for each semester.

We also have 3 students being supported by private families. If you might be interested in supporting a specific student, we can make that happen for you.

We accept donations in any amount! We look forward to hearing from you! We cannot continue this amazing program without your help.
