I hope this month's newsletter finds all you Kinoites having a fabulous time while you are away from Kino.

You need to get rested up for all the upcoming Club Deportivo events upon on your return to Kino.

Time flies by, it seems I just left, and now we are planning our pilgrimage back to "My happy place."

As you will see further into this newsletter, we have had to raise the annual dues. Joan and I have had a "vigorous" discussion over this and as you will see per her article, we raised the annual dues to \$143.00. The easy answer would be "inflation" and that is mostly true. BUT, we have had to add an employee for the continued operation of Rescue One, thru the summer months and to give our office manager Rebecca some much needed help.

It does seem most everything is getting more expensive. I'm hoping that you all still feel this is a good investment for the services that the club provides to you and to the community.

You all have a good summer and be

"Careful out there"!!!

We want to see each and every one of you back here in Kino this fall.

Ron

The summer arrives and immediately we all started missing the Winter. It has been an especially hot summer, but the time flies and its almost over. The past months were especially busy, but more profitable than previous summers due to indoor activities such as bingo were held during the months of May, June and July with excellent attendance by our members, which came to complement the other activities and spice up the low season at the Club, we are so happy to see the club alive during summer.

Also, we have a new employee, let me introduce to you Alejandra Alvarado Corrales, our new office assistant. Some of you may know her, she was a recipient of the Kino Ladies scholarship. Please say Hi to **Alejandra** when you see her, she has been in training for a few months but still learning, Club procedures are a new world for her but I am sure that all of you will help her to learn all about the club as you did it with me almost 6 years ago.

This summer the staff was busy doing maintenance tasks, we are still in the process with some projects to keep the Club in good shape. We have completed around 80 summer projects already and have another bunch in progress.

I want to thank the board for the opportunity to take a Human Resources online course of 120 hours, to improve my performance, also thanks to Cathie Nall for complement that course and sharing with me some of her invaluable knowledge.

The office will be open again on Monday Sept 4, summer hours still through the month of September 8 am to 1 pm, but open for all the activities like bingo, trivia, potluck and social hour, the library, and the courts still open and of course RESCUE ONE still working as usual.

WE ARE LOOKING FORWARD TO A GREAT SEASON! SEE YOU SOON!

Welcome Alejandra

Alejandra Alvarado Corrales is 22 years old.

She is the second one of three sisters.

"Ale" was born in Hermosillo, Sonora

January 19 ,2001.

Her roots are mostly in kino Bay and she was in California for a while. When she was 18 years old she started working to help her family and learn how to be more independent. She considers herself a hard working woman that loves animal & plants, her favorite animals are dogs and the mobula blanket.

She has 4 puppies all of them rescued from the streets.

Her work experience is mostly in customer service, working at restaurants and hotels.

Alejandra is very happy to work at the club and excited about all the things she will learn. She started to working at the Club in April 2023.

From the Kitchen

It looks like we are going to have another fun and eventful meal season .

For 2023-24 season there are 12 dinners and 9 breakfasts on our calendar.

5 of the 12 dinners need organizers and most of the breakfasts.

You can call or text me if you are interested or have any questions at 435-463- 9344.

Organizers decide on the menu and purchase the food. They recruit 4 kitchen helpers and a couple of servers to help prepare and serve the meal. The club staff sets up & break down the dining room, and does the dishes along with most of the clean-up. You are reimbursed for your purchases from the sponsorship's, through the office.

For sponsorship's we prefer you to contact Rebeca at the club directly at 662 242 0321 as she is the money person.

Don Smith Mexican Auto Insurance

Club Deportivo is an agent for Don Smith Mexican Auto Insurance, and as such receives a commission on insurance sales made through the Club, referred to Don by the Club or Club members. In Fiscal 2022, the Club's commissions from insurance sales through Don totaled \$6,800.00 USD

Insurance may be purchased directly through Don via telephone, by telephone to the Club or in person at the Club office. Don sells insurance to more than just Club members, so at the time you are purchasing your insurance you need to advise him or his staff, that you are a Club member, so that the Club will receive a commission.

Your packages Your Responsibility!

In the past, Club members who purchase insurance through Don have enjoyed Don's generous offer to accept packages for them through his office in Nogales. While Don is still willing to receive items, it is the responsibility of any member placing an order to arrange for the pick-up from Don's office in Nogales. Pick up at Don's and transport to the Club is not and never has been a service offered by Club Deportivo. You may pick it up personally or make arrangements with a friend or acquaintance to pick it up from Don's. In either case you or your transporter may be required to undergo inspection of the packaged goods when crossing into Mexico, and may need to pay Mexican import taxes. Additionally, the transportation of what would appear to be 'commercial goods' (packages marked UPS, FedEx, DHL, etc.) into Mexico requires a license to transport, and if you are found in violation, you may be required to return the goods to the USA.

Maintenance

Summer Projects

The staff have been working diligently on the summer projects!
With the new office AC installed, Rebeca is happy!
The ceiling is now being cleaned and refurbished, looks great.

It has been a very hot summer for our state that has been noticed in the large number of visitors we have had on the beaches of Kino, added to this the number of residents in the community has increased and we have also noticed it in the overload to public services, every day the community of Kino Bay grows a lot, and you see many constructions along the entire Sea of Cortez and many more habited houses.

In recent months the Club has continued to work hard for the Kino community, delivering support directly to the kino people,

In the months of June and July we were invited to some graduation ceremonies of different schools that received support from the Benefit dinner, which expressed their deep gratitude to our institution. As you see in the pictures the Club has received many recognitions.

With the end of summer comes also the return to classes of the youngest and as it is already a tradition, on your return to Kino I invite you to donate school supplies & back packs for the children of Kino.

During the summer we also realized that there is a great need for wheelchairs for some residents of Kino, the Club has been overwhelmed by requests and we would appreciate it very much if on your return you could collaborate with Club Deportivo and donate some chairs, they do not have to be new, only in good condition, So the Club will be able to continue providing that service.

Finally, I would like to thank the members of the Charity Committee, Shauna, Victoria and Ichy and Rebecca for all the support they have given me to perform my duties.

I hope to see you soon!

Janet Pavlovich
