Report from Club Deportivo's Charitable Giving Committee

Club Deportivo believes in charity. This tradition was established by the second item in the Club's MISSION statement, as included in the original Charter.

There are two funds in the Club treasury that provide support to the local Kino community, and many dedicated people work hard to raise this money.

The first pot of money is referred to as the **Board Allocated Fund**. Ten percent of your membership dues go to this fund, and it is used to help those in need of medical, nutritional, educational, safety, youth development, and elderly assistance. Anyone asking to receive these funds must go to the Club office and fill out a request form detailing the need. The Charitable Giving committee, with the assistance of the Club management, then reviews, investigates, and make decisions about these requests. This fiscal year (October 1, 2022 – September 30, 2023) our budget is \$60,624 pesos, and so far, we have had 8 individual requests and allocated \$22,500 pesos. In addition, we have helped with medication for the needy at the pharmacy, and with medical supplies at the Centro de Salud. *(Sometimes a small amount can make a big difference in our local community!)*

The second fund is the **Charity Fund**. This is made up mostly of money generated through the Annual Benefit Dinner/Auction/Raffle and other fund-raising events conducted by the Club and its members. We also receive donations from individual people.

The Benefit Dinner has been an annual event since 2012. Funds raised are awarded to various groups in the Kino community, including the schools, Red Cross, and other social programs. Groups receiving donations must go through an application process, and once approved, are assigned tasks to help hold the event.

How your contributions are used.

The Benefit Dinner of 2023 was another huge success. This dinner raised \$413,700 MXN pesos for the **Charity Fund**— more than at any other event in the past! Some of these funds have been distributed already. Right off the top, 40% went to Club Deportivo. We well know that the Club must remain financially healthy in order to be able to give aid to the local community.

Even then, our pool of money in the **Charity Fund** to donate was quite large. Based on the needs of the participating organizations, we have already allocated \$ 218,725 MXN pesos. We have 3 remaining groups that are still in process. We also have some reserve funds from previous dinners (\$157,093 MXN pesos) that will be available as further need is determined through the summer and early fall.

2023 Activity	\$/Pesos in/(out)
Auction/Dinner/Raffle	\$ 413,700
Allocated Donations	\$ (218,725)
Club Portion (40%)	\$ (165,480)
Subtotal	\$ 29,495
Anticipated Donations*	\$ (48,000)
2022 Surplus	\$ 107,608
Emergency Reserves	\$ 49,485
Current Balance	\$ 138,588
Estimated funding requirements for remaining groups	

The committee feels strongly that donated funds must be used wisely and responsibly. Therefore, we monitor how benefitting groups use our donations, including requiring receipts for goods and services purchased with our donated funds. Requests are researched as best as possible. So, each group does not necessarily receive the same amount of money. We try to make sure that any available alternative funding (government programs, community resources, etc.) is used before we allocate money, so not all requests are approved.

We also keep a reserve from previous dinners for emergencies — currently \$49,484.70 MXN pesos.

There are many needs in this community. We strive to address these as best as possible.

Thank you for your continued commitment to Club Deportivo and its important role in our Kino Community. The Charitable Giving Committee welcomes your questions and suggestions.

A TEASER

If you enjoyed the Old Gray Mares performance, hold your "horses" for another fun time with them this coming season!! Your mystery OGM

It's been 45 years since the club was founded, after all those years the building needs some maintenance (as you may have noticed) so we can be able to keep rocking at the Club events.

After a great season with a really good attendance from the membership is time to polish the silverware again, so it will be shining as diamonds for when you get back!

Thank you so much for all your hard work on behalf of the Club which at the same time is also help for the Kino Community.

This summer the staff will be busy doing maintenance tasks and getting training to improve our performance, after a long analysis and with all the recently changes in the Mexican labor law, our board decided that we need someone else in our line to keep the Club working in its total capacity, that is why we had been searching hard for the right person to complete our team, and now we have a new employee in training.

We have 225 summer tasks to complete (ish), plus all of the extra ones that will show up through the summer. You will find in this newsletter edition a summary of all the projects.

We have already started to work on them, all the left-over kitchen supplies were sold or donated, the big appliances were turned off to save power and our liquor license has been paid and renewed! We are open to any suggestions about projects, tasks or activities that you would like to be done at the club.

The office is still open working on getting everything straight and ready for next season. We will still be providing help to the community through the charity committee, usually in the summer with the hurricanes and the hot weather we receive more assistance requests.

Summer Office Hours start June 5th
