The Prez Says... **Hola Club Deportivo Members**

It is time to think again about the upcoming season in Kino Bay. For me personally, this seems quite soon, since I stayed in Kino until mid-June, and summer weather has yet to really come to Montana.

The newsletter in August is intended to let you know what to expect in the upcoming season. But before plunging into the new season, let me take a minute to review a little about the way our club functions.

Financial--Last season (10/1/16 — 9/30/17), we took in \$74,700, of which \$40,000 was from Membership Fees, \$15,000 from the Kitchen, \$10,000 from the Bar, \$9,000 from Don Smith Insurance; the remainder from the storage lot.

Operating Expenses totaled \$51,800 for the

year. These expenditures are the costs of keeping the Club running--payroll, utilities, maintenance, repairs, taxes, legal and accounting fees, and bank fees. We ended the season with receipts higher than expenditure by about \$19,000.

—thanks to Joan Fairweather for these figures, and for the excellent accounting she does.

Calendar - Before the board left in the spring, they put together a preliminary calendar for the 2018-2019 season. This calendar helps the board plan, but it is also available on the web for you to take a look at the season as a whole. There will be some changes to this calendar, and I know that more activities are being planned than appear, but it is good to start. You will find this calendar at: <http://www.kinobayclubdeportivo.com/uploads/1/8/0/6/18060527/calendars2018-19.pdf>

Changes/Additions to our club

- One big project for our staff this summer has been to get the ceiling painted. This has been a big job, so be sure to look up and appreciate it.
- The communications director will be sending out a **weekly schedule** of club events at the beginning of each week. If you have something to add to the schedule, get it to Marla Anderson at marloo11@yahoo.com
- You may have noticed that the club purchased **new tables** to replace the old wooden tables. They are lighter and easier to move around, and can be stacked and stored on a cart.
- **New fans** have been added to the palapa eating area. They should help to keep the air moving as we enjoy eating outside.
- A **pool table** is now functional upstairs where the library formerly was located. It is hoped that it will encourage members to use the club more during unscheduled times.

One important job that remains to be done is to **appoint a nominating committee** to make sure our club continues to run smoothly. This is probably the most important committee has, since it usually **determines the leadership of the club**. I have asked the board for suggestions for this committee, but I am also asking **you**, the members of our club. If you are interested helping our club change as Kino and Mexico change, I urge you to let me know that you would like to be a part of our leadership team; or, if you know someone who would like to help, but is reluctant to come forward, please submit their name to me for this committee, or to be nominated for a board position. The positions that will need to be

filled in February are: 1st VP, Treasurer, Kitchen, Bar and Construction and Maintenance. My email address is prezkino@gmail.com

Thank you for your support, and I look forward to getting back to Kino and starting the season.

— **Anne DeFrance**, *President*

I'm putting together my Hallowe'en costume, how about you? And don't forget those team caps and t-shirts for our

favourite team night. This year we'll have a Christmas Sweater night too. There's lots of other fun nights to look forward to. See you in the Fall.

Outdoor Activities

Congratulations – you are getting better and better every day. In order for you to be able to peak at the

optimum point in time to compete at your top level in the Club Deportivo Outdoor Activities this season, I am going to tell you when the activities will first occur.

However, you must promise to not tell anyone else that I told you this as I would not want to be accused of giving you an unfair

advantage. So – without further ado and keeping this valuable information to

yourself, here are the key dates for this 18/19 season outside activities.

- **Drop in pickleball** will start Wednesday October 10th and continue every Wednesday and Friday thereafter.
- **Ladies Bocce** starts November 6th
- **Putt Putt** starts November 12th
- **First Goahead** November 15th.
- **Bean Bag Tourney** starts November 28th.
- **Bocce Tournament** starts January 14th.
- **Putt Putt Tournament** starts February 5th.

In case you didn't know (or forgot), we did reorder the T-shirts in new colours (my favourite is the black) with the same graphic depicted above so you can replenish your wardrobe at the Club

Community Outreach

WOW, time for the August newsletter already! Getting ready for the 2018-2019

Deportivo season...The 2nd Vice President charge is liaison between the Kino Community and the members of Club Deportivo. I oversee three committees:

- Humanitarian Award (which will be presented early in 2019)
- Charitable Giving, chaired by Shauna Smith (and busy over these summer months with requests). She has formed a great, caring committee to make decisions on requests received by the Club.
- Fund Raising Committee, chaired by Gloria Brandt. She is currently looking for Club members with ideas for FUN, FUND Raising events to join her committee....It is always special when Club members get involved!

Another part of our Club's community involvement is the providing backpacks to the students in Kino Viejo. We have enough donated backpacks for this Season, but sure could use items to put in the backpacks. So as you start packing up to come back down to Kino-----consider adding some lined note books, crayons, colored pencils, pens, scissors, glue, or rulers!!! THANKS. The breakfast program is going strong with about 100 children attending!

Sorry I have cut this article short, as it is time for the final "Survivor's Potluck"!!! Looking forward to seeing you all and a great 2018-2019 season! Do not hesitate to contact me for more info, details, ideas, involvements that interest you!!!

From the shores of Kino Bay,

KINO LADIES KLUB

Kino Ladies Klub meets five times a year (November – March) on the second Tuesday of the month for lunch. Our purpose: for previous members and new women to get together to meet and greet each woman of our Kino community. ALL are always welcome!!

The lunch gatherings are a great time to share and get to know the “Ladies” of Kino!

KLK organizes a special Christmas event for the elementary students of Kino Viejo. KLK members volunteer to go to all the elementary class rooms, along with Santa Claus, to give gifts of tooth paste, tooth brushes, crayons, pencils and CANDY CANES to over 1,100 students. WOW.. Please remember to bring tooth paste & brushes, crayons & pencils to contribute to the Christmas program!!

KLK also sponsors a very important Scholarship Program for high school students.

Our first lunch is NOVEMBER 13th at Kino Bay R.V. Park’s Recreation Center, hosted by the KLK Board. Kino Ladies Klub gets together to enjoy and to support the kids of Kino!!

Hello everybody!

We've had quiet and low bar activity here at the club; the Bay has been steadily hot and humid, making it hard to even think of going outdoors.

Betty and Rebeca have been gracefully holding the fort for us, even behind the bar, and for that, we thank them... Keep up the great work girls!

I would also like to thank our survivors and organizers for keeping us going for most of the summer.

I would like to remind all members, when Betty or Rebeca are behind the bar, they get to keep the tips for themselves, so please be kind and as generous as possible with our awesome helpers.

Hoping everybody is staying cool during our HOT months. We will be waiting for you to come back to your home away from home next fall.

– **Caro Nava**, *Bar Director*

KLK Scholarship Program

IT'S NOT TOO LATE! Students will be headed back to school this month, and we are proud to announce that we will have 32 high school students attending school with scholarships from KLK and our generous supporters. We continue to collect donations all year in any amount.

It will cost us 72,200 pesos to fund the program this first semester. Thanks to your donations, these 32 students will be in school. Of the 32, 12 are privately sponsored. We will also have three students on the Maria Peral Memorial Scholarship, which is a full scholarship supported by separate donations.

Each student must spend three hours a week tutoring younger students at one of the two elementary schools, and must maintain grades at 80% or above to continue in the program.

For more information, pick up a flier or see the KLK Bulletin Board at Club Deportivo. We look forward to hearing from you! If you wish to make a donation to this amazing program, please contact any of the following committee members:

Diane Ackerman; Judy Hazen; Mari Evans; Sparkie MacVeigh; Jacqueline Sinnett; Norma Veazey

Something to Think About...

We've only been a part of this wonderful Kino community for about seven years. We enjoy all the club has to offer, especially the time spent with our friends and helping the club flourish during uncertain times, i.e. declining and aging membership, an old building, rising costs of doing business, etc.

There will always be complaints in large groups such as ours, but a more positive attitude is crucial to making our club survive. Over the last few years we've lost active and potential board members, wonderful meal organizers, many volunteers, etc. due to negative remarks made by some members.

If you're not pleased with a meal or some decision made by the board.....PLEASE keep it to yourself.

KEEPING HEALTHY AND FIT AT CLUB DEPORTIVO

There are many reasons why we tend to slow down and become more sedentary with age. It may be due to health problems, weight or pain issues, or worries about falling. Or perhaps you think that exercising simply isn't for you. But as we grow older, an active lifestyle becomes more important than ever to our health.

Getting moving can help boost your energy, maintain your independence, protect your heart, and manage symptoms of illness or pain as well as your weight.

regular exercise is also good for your mind, mood, and memory.

The Club offers a number of classes to help you keep up your daily physical activity during the winter.

Come and join us weekdays – Monday through Friday for Weights and Stretch, Yoga, Resistance Bands, Walking Aerobics, and Line Dancing (Beginner and Beyond Beginner). Dust off your cowboy boots, roll out your yoga mat, pick up a resistance band (available at Walmart) and pack them all in for your return to Kino.

Check the monthly calendar for startup dates (and times) for the upcoming 2018/2019 Season.

....OR TRY THIS....YOU cook a complete meal for up to 200 people OR devote long hours and energy working as a board member OR attend a board meeting and voice your opinions OR volunteer for something.

Basically, we're just a bunch of "old folks" trying to please another bunch of "old folks". As many of you know, it's not

an easy task, but there are many who always step up to the plate. PLEASE appreciate what they do and thank them wholeheartedly!!

The focus of our message is that we all need to work together with positive attitudes. When you return for the "season" PLEASE leave any negatives alongside the road somewhere....they have no place here!

Sincerely, **Sandie and Robert Burnam**
