The Prez Sez ...

Welcome back everyone! When you come over the hill and eye the beautiful, blue bay waters of Kino you know you are once again “home”. Hope you had a restful summer because our Board of Directors of Club Deportivo has an exciting season waiting for you. November had a great start of a busy month with a “frightfully” good Halloween party – organized by Laurel Hakim, our Indoor Director.

Our staff worked hard this summer to complete summer projects and ready the Club for the new season. Those of you who helped Laurel decorate the Club for the Halloween party saw the reorganized decoration bodega. It is awesome, if a bodega can be awesome! The staff and several gals worked this summer in the HEAT to clean, paint, purge, rebox, label and shelve ALL of the decorations for our Club’s activities and celebrations. Thank you to: Fili, Betty, Raul, Ricardo and Laurel, Alicia Vivanco, Maggy Becker, Sandie Burnam, Caro Nava, and Maryanne Griffin.

The **Benefit Committee** is busy planning & organizing for this season’s Benefit Dinner, December 2, 2017. There will be more information in this newsletter about this annual event, members and non-members are invited to participate – posters are up and ticket sellers are ready to sell tickets for \$200 pesos each.

Hello and Welcome back Kino, Folks!

I hope all of you have enjoyed a safe and enjoyable summer. Temperatures are dropping and Summer Club maintenance projects and improvements will be apparent as you return.

Most critical and noteworthy is the serious and professional rebuild of our **boat ramp**, organized and managed by **Butch Holveck**. Our hats off to Butch and his wife Liz Carmen, who took the initiative to tackle this project on behalf of the community. A proper and safe ramp is a key to a viable Rescue One program, which has provided safety to thousands of boaters in the Sea of Cortez over the years. Butch reports work is nearing completion, and evening low tides in November will provide a good opportunity for this necessary night time activity.

The VHF channel 24 we use for Rescue One continues to experience the Harmonic Interference we reported on last year. Recent activities seem to occur due to transmissions from the Baja Peninsula. Unfortunately, this is a phenomenon we have little control over. This activity is a distraction but does not impact your usage of the radio. Rescue One is still operating on VHF Channel 24 or by telephone as usual, via Club Staff and volunteers.

As always, as you venture out by land or sea, please always check out and back in with “Rescue One”. We can only help you if we know who, how many, your destination and your return time.

Welcome Back to Paradise,

Otherwise known as, Bahia de Kino!

And judging from the reports of snow flying in various parts of Canada and the U.S., we are all in a much better place here! If you are still traveling, travel safe and drive defensively & stay alert!!

First, I want to **Thank all of You** that either sponsored a meal last year, helped organize a meal or helped with the meal preparation and clean up, as well as those that bought our leftovers, helping to make the Kitchen profitable!

Another big Thank You goes out to all of you that bought tickets to these events.

We applaud all of you, but now with the beginning of a new season at Club Deportivo, we ask for your continued financial, as well as physical help, to do everything and more all over again for the 2017-2018 season!

The Kitchen still has needs for sponsors, organizers and helpers throughout the season. Please check out the Meals list posted by Sandie Burnam in the Club, or see me, or any coordinator to help decide the best placement for the help you are offering. This help will make you feel a REAL part of the Club, and you will be!!

Outdoor Activities

Bill Chisholm –
Outside Director

Hola mis amigos. Welcome back to Kino where the sand is always hot, the food is good and the beer is always cold (at least until you put it in the hot sand). What's new this year? Well as usual, there are some comings and goings but the memories are always there – and mostly good when we think of Kino. But on to the Outdoor Activities.

No new updates on the shooting range until Randy comes back and has some time to focus on the range.

The pickleball courts have an added apron around the court for safety and to reduce the pebbles dragged onto the court (thank you John N). The Wednesday drop in pickleball will be/was resurrected November 1st and will continue each Wednesday thru the winter as interest and weather allow. One note – it must be referred to as “Pickleball” (all one word) as our legal counsel has informed us that until Marvin P’s patent infringement case is resolved, we are not to poke the bear by referring to it as “Pickle Ball” (two words). More to follow on this landmark case as events unfold.

We have arranged for some **Kino T-shirts** to be made as a fundraiser for outdoor activities. They are available in three colors (red, yellow and light blue) in a variety of sizes from 2XL down to youth medium for a modest price of 200 pesos. Get them quick before stock runs out particularly if you need a Christmas gift for that hard to buy person (we all have a few). Just go down to the club and ask Betty or Fili. If you have any requests for sizes (or colors) – just leave a note at the club and it will be considered if the shirts are reordered in the new year (high probability).

The first Goahead of the year will be on November 23rd. Prizes, food and fun are all on the slate so get your practice rounds in now. Tee times are filling up

quickly.

Don't forget that the Bean Bag tournament is set for November 29th to the 30th or 1st?? with this year's sponsors (and last year's winners)----- the Roebucks.

Are you ready – then **START YOUR ENGINES.**
Bill

Club Deportivo--Your Membership

Join the Club

It is time to join the club again this year, and get your membership dues paid and encourage others to do the same.

Take advantage of the 2018 Membership Fee savings - \$96.00 USD per member if paid by December 31st, 2017. (\$100.00 USD after December 31st, 2017.)

In conjunction with paying your dues, **you have an opportunity to help us get the Directory perfect.**

Thanks to everyone who has returned their Membership Information UPDATE form, but there are still quite a few to come in. The updated information will be used to prepare the membership directory in the New Year.

Drop off your completed UPDATE form with your annual Membership Fee to the Club office or mail it to: Club Deportivo, 50 E Continental Rd., PO Box 1065, Green Valley, AZ 85614.

Know the Rules

The Mexican liquor laws and the non-profit status of our Club dictate the rules that we members need to follow and the board of Directors and the managers need to enforce.

The rules are simple:

- **To be physically in the club to participate you MUST be a current paid up member**, unless it is a community-sponsored activity.
- **You may be a guest only two times**, and must sign a guest book.

This means if you are a couple each of you need to have a membership and you can be a guest only two times. Your Board has designed several kinds of memberships and for the amount of dues paid you get a lot in return. (beautiful clubhouse, lots of indoor and outdoor activities, books and video library, mail services, Rescue One and bilingual managers).

So please help us by encouraging your neighbors and guest to become a member of Club Deportivo.

**It has been a hot summer, no doubt,
but it went by so fast!**

So excited to see all of our part time residents come back from their summer adventures. Welcome back, it is great to see you back home!

We've been keeping ourselves busy all this time. In October we hosted a couple of Survivors dinners and four Social Hours, including our traditional Halloween Party.

I would like to thank our wonderful staff at the club for keeping our bar running during the whole summer and all the work they do. I sincerely appreciate all your help.

Remember, we have many events to come and we need volunteers to help us tend bar for each event. Sign-up sheets are posted at the club; you do not need to be experienced. If you have never volunteered at the bar or it has been a long time since you did, give me a call, and I will gladly give you a training and introductory session.

Again, Welcome back everybody. Can't wait to have lots of fun with you guys in this new season.

Reporting Period: October, 2017

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email if you can send me any fishing news or pictures: lyncurt0@gmail.com If you can send reports by the 21st of the month, they have a better chance of being added in for the next report. Pictures of fish welcome!

10/12 EL PATO and **GATOR BAIT** fished the Turner area on a sunny calm day that ended early for all of the right reasons. Yellowtail, bonito and sierra were caught trolling Rapala X-Rap 30s and similar lures around Dead Man and the south end of Turner. Large schools of bait were reported and many of the fish were caught in less

than 80 feet of water. Launching at the older ramp presented no problems if careful and watchful for the nearby rocks.

10/13 GATOR BAIT caught limits of yellowtail and bonito again at Turner, mostly around Dead Man, and home by 10:30am. Another calm clear day with 78 degree water.

10/15- windy weather, no fishing.

10/18 EL PATO was at Turner for limits of bonito and a few yellowtail.

10/19 EL PATO at Dead Man for limits of yellowtail and half limits of bonito, returning by 10:30 (again). Trolling still working for all species.

10/26 Turner and Dead Man still producing yellowtail for trollers but bait schools diminishing but yellowtail getting bigger (to 18 pounds). Limits by mid-morning trolling.
