Welcome back everyone for the start of our new season! It was a busy summer for us with scheduled projects and some new challenges that were unexpected, primarily from the new regulations in Hermosillo.

It's great to start seeing more and more familiar faces and new faces at the Club. Towards the end of last season we finished with great attendance and record breaking revenue from our events. With your help, I am optimistic that we can continue the upward trend this season as well.

As always, feel free to contact me for any questions, comments, or concerns you may have. Once again, Welcome back!!!

Regards, Rick Fisher  
President Club Deportivo

# From Second Vice President

It's that time of year to begin preparations for the upcoming season at Club Deportivo!

I can imagine many of you are excited to get back to Kino, which is hot and beautiful as usual!

I want to thank all members for giving me the opportunity to be part of this awesome board, I am still learning about my responsibilities at the Club.

I am definitely very happy to witness how the donations and the work of our members materialize in real support for the community of Bahia de Kino as backpacks for Lazaro Cardenas, Nissan and CAME schools that were delivered at the beginning of this school year. Also donations of medical equipment that we have received from some members such as crutches, chairs and diapers that allow us to continue helping the community

I would like to remind you that our traditional backpack program is open to receive donations all year, the school supplies received during the season will be carefully stacked for next school year or provided according to the needs of schools during the school year. Please bring or send whatever supplies you can to support the kids of Kino. The supplies needed are as follows: school backpacks, notebooks, pencils, erasers, crayons, glue sticks, red/black/blue pens, protractors, rulers, scissors, etc. Small gifts. I can't thank you enough for your generosity!

Last but not least important I want to thank the Charity committee ladies for their help and orientation in this new adventure.

Looking forward to see you soon

Janet Pavlovich

2<sup>nd</sup> Vice president

Summer is over and with that comes the start of a new season for Club Deportivo. After two years of pandemic and many changes for the Club, we are very optimistic about the new season. As always the support and collaboration of our members has been the greatest strength of the Club to overcome the changes and difficulties of recent times.

A large part of a successful season, of course, is our income from annual dues. We wish to see

everyone here with us; but if for any reason you are still not able to join us in Kino, we appreciate your support by sending us your dues via a check in the mail, PayPal, or calling in with a credit or debit card. Remember that a percentage of the dues we receive goes directly to the Charitable Giving Committee to continue with our age-old tradition of helping the less fortunate in our community.

Every summer, the staff works on maintenance and repair at the Club. This year is no exception, with over 290 projects on our list, ranging from the regular landscaping to waterproofing, remodeling new areas at the library and others. We have completed 279 summer projects and postponed 14.

We are looking forward to seeing you soon!

**TO ALL MEMBERS INVOLVED IN CLUB ACTIVITIES, PLEASE LET THE OFFICE AND CALENDAR GIRL KNOW IN ADVANCE IF YOU ARE PLANNING SOMETHING SPECIAL FOR A SOCIAL HOUR OR ANOTHER EVENT.**

**PLEASE SPREAD THE WORD THAT THE OFFICE NEEDS TO BE AWARE OF ANY CHANGE OR PLAN FOR THE COMING EVENTS.**

**THANK YOU SO MUCH FOR ALL YOUR HARD WORK!!**

# Time to do Preventative Maintenance

Welcome back all you Kenoites. It was pretty quiet October 1st, but as the days go by more and more Club Deportivo members are showing up. Looks to be another GREAT season in what I Call "My Happy Place".

All you boaters out there, remember to go over your safety gear after a long summer in the heat. Check your fire extinguishers and make sure all are in the green. Trust me, a fire in the middle of the ocean in a small boat is not fun. Check all thru hull fittings for security and make sure hoses are sound..

The one thing that I have noticed over the years is that

the trailer winch is the most overlooked piece of equipment there is. It is really hard to get a disabled boat on the trailer when the winch doesn't work. It needs to turn freely and be able to get enough line out to reach the back of your trailer.

You all be safe out there.

Ron Leetch

# FROM THE KITCHEN

Hope you all had a wonderful summer season wherever you landed. We are beginning to pack for our journey south and by the time this newsletter hits your email box we will be in Kino, at least that is the plan.

Kim and I are excited to report an almost full meals calendar for the 22/23 kitchen season.

**We are short one breakfast and one meal.** They are both in the later part of the season and we are confident they will find organizers as folks settle into their kino lifestyles. Thanks to all who stepped up to participate in organizing the fabulous meals which lay ahead and their crews which make it happen.

Our first dinner of the new season will be **October Fest** on **Sat November 5<sup>th</sup>**. Menu will be similar to last years, featuring 2 Bratwurst, potato pancakes with Kim's home apple sauce, Sweet n sour red cabbage w/bacon. Gingerbread w/ whipped cream for dessert.

John and Judy Hazen will craft the first breakfast of the season, Sunday November 13th with their famous **Eggs Benedict breakfast plate**, certainly expecting a full house that morning.

**Saturday Nov 19<sup>th</sup>**, Jim Benson and Maureen Walch are spear heading "**Recognize your State or Province**" dinner. Menu includes Ceviche, pulled pork sandwich, slaw baked beans and Nanaimo Bars., Canada's most famous dessert .

This is an event dinner co-hosted by Mugs and Craig Vernon bring Flags, Posters, Banners from your State or Providence. Wear costumes, shirts, hats, etc that recognize the same. Should be a fun evening for all.
